Dear Brothers and Sisters in Christ,

What really happens when we pray? When we bow our head before a meal or whisper quietly during our commute, or ask again and again for God to do what he hasn't yet?

The Bible tells us in Revelation 8:2-5 that: *“The seven angels who stand before God, and seven trumpets were given to them. Another angel came and stood at the altar, and he held a gold bowl for burning incense. He was given a large amount of incense, in order to offer it on behalf of the prayers of all the saints on the gold altar in front of the throne. The smoke of the incense offered for the prayers of the saints rose up before God from the angel’s hand. Then the angel took the incense container and filled it with fire from the altar. He threw it down to the earth, and there were thunder, voices, lightning, and an earthquake.”*(CEB)

I believe that none of our prayers are wasted or lost. They are stored up on the altar of God until the proper time when God pours them out on the earth to accomplish his great purposes of judgment and redemption. Prayer binds Satan in breaking our strongholds. There is power in taking authority and using faith to light darkness. How are we qualified to do this? It is through Jesus Christ! He defeated the devil at Calvary. We are saved by his power and can conquer the world through him. Prayer is the way to do it. Jesus said.

United Methodists from around the world will meet in Portland, Oregon from May 10-20 for the 2016 General Conference. The Upper Room, invites us to join the delegates and leaders of the 2016 General Conference of The United Methodist Church in praying for the Conference. We believe that God wants to lead and shape the future of our church through prayers.

The Conference has planned a 60 day prayer journey which begins on Thursday, March 31 and continues through Sunday, May 29. They hope that this 60 day journey would establish a prayer network within The United Methodist Church to support the spiritual preparation needed before the General Conference, intercession during the Conference and spiritual follow-up beyond the event. Please join me by going to www.60daysofprayer.org. and register so you can get the daily email and pray together specifically for the General Conference for the next 60 days. We get involved in God’s plan when we pray without ceasing. Corrie ten Boom said, “We never know how God will answer our prayers, but we can expect that God will get us involved in His plan for the answer. If we are true intercessors, we must be ready to take part in God’s work on behalf of the people for whom we pray.

Joyfully, Your Pastor,
Kelly Van

OPEN PANTRY NEWS

The Open Pantry will be in need of volunteers **May 14th**, to help at the church, for the Letter Carriers Stamp Out Hunger Food Drive. The time will be from **3:00 to 5:00 PM**. The Open Pantry also is in need of egg noodles and rice.

Thanks, Deb Chappell

Sanctuary Volunteers Are Needed!

As you have seen, the video and audio are up and running. What we need now are volunteers! We do not want to have one person stuck in the booth every Sunday. Plus we need to spread the knowledge around so when someone goes on vacation, there will be someone to fill in. Our goal is to have 4-6 people who are comfortable flipping through the computer presentation slides and 4-6 people who are comfortable raising and lower the sound on a mic so we do not have feedback. You do not have to worry. We will walk you through the programs and train you so you feel comfortable with the devices! We just need volunteers!

There is a sign-up sheet in the back of the sanctuary for both sound volunteers. We need people for both the 8:30 and 10:45 services. The more we have the better. That means that everyone will be able to sit with their family most Sundays. So, please put your name on the sign up sheet or stop by the booth and let Jana Stelter or someone on the Worship committee know. We will get you familiar with the program so you can get in the rotation to volunteer for a service.

POTICA ORDERS

Potica profits came to \$124.00!

Hopefully this will in some way benefit the upcoming Red Bird Trip.

Thank You All!

"Worthy Treasures"

I'm very excited to announce a new ministry in our church, "Worthy Treasures". Our ministry would involve going to various local retirement communities spreading Christ's message by visiting these residents that are precious Children of God too. Our main concern would be the Memory Unit clients. We have some of our church family already interested and could always use some more people to serve! You will receive wisdom, insight, and acceptance from the awesome residents. Please sign up!

SUGGESTED NEW MINISTRY

In a recent Upper Room devotional, the author talked about visiting a retirement center for fellowship and sharing with the residents. After reading this article, I was so moved. The Greatest Stealth By Richard H. Lee

I'm working on publicity and a speech for our LAHS April program on "Submarines in Lemont" and I just thought about why submarines are so important to the military. They can't be seen because they lurk or travel below the surface of the ocean and carry deadly weapons. In World War 2 they only came up at night to get air and look around but were replaced by atomic powered reactors that charged their batteries and could stay submerged for weeks or months.

Aircraft also are designed to be invisible to radar or stealthy and like submarines try to be as quiet and unnoticed as possible to avoid detection. Then there are special winter uniforms troops can wear to be invisible in the snow that are white and well insulated. But in this world there is another kind of stealth; that of evil and wickedness that corrupts people and becomes big business for those who exploit. It appears as common everyday life that people enjoy with alcohol, drugs, guns, and gambling in casinos or Las Vegas.

These evil attractions seem harmless to most people and become "fun" things to do for excitement. Right here in the "Village of Faith" (now replaced) we have increasing numbers of pubs, breweries, and gambling machines available for entertainment and I hear drugs are more popular now. Back in the 1890s this village became a "sin strip" with "Smokey Row" establishments to entertain the construction workers on the new canal until the local Methodist minister became disgusted and decided to shut it down and clean out the town.

This was a big undertaking that really didn't succeed much and although Reverend Clancy survived it became a great old historical story that some people enjoy hearing but few would want to repeat it today. This is a matter of stewardship of our community and we should be faithful and obedient servants with the grace of God empowering us.

Handyman wanted

We have widows in our church who may occasionally need help with household repairs: basic maintenance and grass cutting or snow shoveling. Ideally it could be a retired man with experience in building. Please contact the church office at: 630-257-5210 if you are interested.

ESL Tutoring

Kay Norfleet has graciously offered to teach English as a second language to anyone in need in our church family. If you are interested, you can contact her at 630-257-6699.

Hey, middle schoolers! This month you are offered a book by Dandi Mackall "Winnie the Horse Gentler." Winnie is a 12 year old girl who likes and wants her own horse. Problem is her Dad moves around a lot. In the place he last deposited the family there is an auction that has a beautiful horse, just what Winnie wants, for sale. However.... Just read it. It's not a long book, a paperback, but I think you'll see just how Winnie approaches the problem: how a child of God, works through a problem to a pleasing solution. If you like it, it's the first in a series and your local library will aid you in getting the rest of the series. You do take advantage of your local library, don't you?

The next book by Mary Whelchel is a non-fiction for adults who choose to mull over past hurts, worry. The author has had many years in ministry, and advises to "Get Over IT!" referring to our past hurts and unforgiveness. Not only does she say get over it, she reminds us to trust God: Trust and Obey, for there's no other way.... That is hard...often we just want to take matters in our own hands. Being anxious is one way we don't trust. If we could only learn to live out our lives knowing that He is in charge. He only wants what is best for us. Whatever happens it is in His Hands if we trust and Obey. This book reminds us of how many ways we lose our grip on the reality if we truly are children of God.

"104 Questions Children Ask about Heaven & Angels" Jesus is the only way to Heaven. That fact is in the Bible. That fact should govern everything we do. It was God's plan that Jesus die on the cross for our sins. Yes, God could have ordered the angels to save him. (Angels exist to do God's will.) But God didn't. He knew we'd need a savior, we'd need someone to pay for our sins, and Jesus was (and is) the savior. (See Matthew 26, 53-54) Thus, Jesus makes the way for us to go to Heaven, sinless. Jesus is the way. Soothing verses in Romans 8:38-39, assure us that nothing can separate you from Christ's love. IF that person has given his life to Christ.

Another one of Paula Janssen's books, "Dancing in the Wilderness" is truly an uplifting read. It is a non-fiction book which describes the author's life. She accepted Jesus as a youngster, and goes on to describe all her encounters by relating to him. She is able to find Jesus in all her confrontations. She doesn't always have an easy lifestyle, yet she can see the positive.

Stewardship Minute

Marty Knott

Chairperson, Stewardship and Finance Committee

This is the next in a series of articles about stewardship. In these articles I will try to inform you about the many ways you can contribute to your church's programs.

"A History of Giving"

It may be a surprise to many of you that early American churches received funds in a way that, today, would be non-starters in most congregations. From the country's founding until the early 1800s or so, many congregations were supported by taxes – yes TAXES! This was adopted by using the method of funding the Church of England in their home country. This lasted until the early 1800's and churches then shifted to support from their members.

Church leaders turned towards other regular forms of income. Renting or selling pews was common, a practice in which families would pay an annual fee to use a particular pew. The more expensive ones were often found near the heater. "Free" pews were available in the back of the church building or in its balcony, setting up a clear hierarchy of membership. Churches also held suppers, socials, and raffles to raise funds for their work and ministry.

By the late 1800s, searching for new ways to support the church and its mission, many pastors explicitly taught tithing to their members, though the practice never fully caught on. Clergy often emphasized that these funds would go to support Christian missionaries. Giving to the church was understood as a moral duty prescribed by scripture.

Such an emphasis on giving spawned interesting practices. For example, the son of a Methodist pastor recalled that prominent members of his father's congregation would elect to give their pledge not to the treasurer, but straight to the pastor. That way the pastor would know that they were faithful givers. The pastor always carried an account book for this purpose.

In the early 1900s, congregations embraced a new technology: the offering envelope! As church publishing companies raced to produce enough envelopes to supply the growing demand, pastors welcomed the opportunity to move towards unified giving. If all the funds to the church were received in envelopes on a regular basis, the congregation could build a more reliable annual common budget.

Pastors praised these new envelopes for they allowed people to give fifty-two times a year rather than saving up for an annual gift. Further, the envelopes supported regular giving, and "regularity here means good order." So keep up the good and regular giving, folks!

An Unforgettable Night

We finished our 33rd production of a play by Fredrick S, Thompson, "Lord, Is It I?" on Palm Sunday evening, March 20th. We played to a full house and had to set up chairs in the back. We do hope that it has enhanced your Lenten journey. All of the talented actors, musicians and singers gave so much of themselves to do such an outstanding performance.

They also received the best backup by persons who put on makeup, lighting and sound, video taking, publicity, table decoration, nursery attendants, and church members who helped spread the news. It was a delight to have the help of the Confirmands as greeters and helpers.

On a personal note, it is a joy working with everyone in the production and I know how much it means to you by being a part of this.

Our money handlers Judas and Mathew collected \$655 for our Open Pantry Program. This year we offered videos of the production at \$10 each and took in 19 orders. The proceeds of this will be going to the Red Bird Mission.

Lemont Submarine Program

This historical program is about the World War 2 submarines made in Wisconsin and shipped down the Ship Canal from Lake Michigan to the Illinois River. From there it was carried to the Mississippi River and down to the Gulf coast. A few Lemont people were lucky to see one or more, which was quite an unusual experience, such as Jack Ahrens who will recall for us what he saw.

A group of submariners that meets in Chicago will be coming to our meeting at the Lemont VFW on April 5 (Tuesday) at 7 p.m., weather permitting. In the event of snow or ice the meeting will be held two weeks later on April 19 at the same time and place. They will be explaining some of their experiences and most of the veterans are Navy men who served on nuclear submarines. And they will be bringing materials and photos to show and collecting for a memorial in Chicago.

A few men from Argonne National Laboratory who helped design and build compact reactors to power the submarines may attend but are getting quite old and may need assistance for the trip. Argonne cooperated with the Navy and Admiral Rickover to design and build the first reactors because of their expertise in reactors. We had regular visits from Rickover and his staff to check on progress and I worked for a man, the "chief" who was engine room chief officer on the carrier

February and March Event Recap

For our February event, the LUMC Sr. High Youth Group went to play Bingo with the seniors at the Mother Theresa Home in downtown Lemont. We found it a very worthwhile and rewarding event. Before heading over the Mother Theresa Home, we enjoyed dinner, craft, and lesson at the church. Our lesson was titled, "Linked Together," and it was a study on aging. We identified that life is a full circle .. starting with little responsibility and great need as a young child, to increasingly greater independence and responsibility as a teenager and then adult, back to less responsibility and more dependence when we are elderly. We determined that there are both pros and cons at every age. Since we can only be the age we currently are, the key is to find the benefits to that age ... then we will find the joy at that age! This is what God intended for us. We also identified that most people, regardless of age, would want to be alone. However, that becomes an increasing challenge for the elderly. It is up to us to make a difference for others, to take care of them and provide companionship as needed, regardless of age. Our scripture thought was from 1 Thessalonians 5:10-11: "He died for us so that, whether we are awake or asleep, we may live together with him. Therefore encourage one another and build each other up, just as in fact you are doing." To honor that request, we headed over to the Mother Theresa Home to play Bingo with the grateful residents. We had fun helping them win prizes and both seniors and youth enjoyed the company. One of the youth noted, "I met the sweetest woman here; I want to come back again!" We left them with handmade chains to decorate their rooms for Easter because we are all linked together!

For March, high school youth from the Lemont United Methodist Church and their guests from the Chicago Vietnamese UMC enjoyed a Mystery Dinner and the Last Supper Drama on Palm Sunday evening. It was a great opportunity to reconnect with our VUMC friends and wonderful reflection in preparation for Easter.

Expanding Care Bear Ministry

Pastor Kelly takes communion to the "home bound" and visits those who are in the hospital. We are looking for people to prepare a home cooked meal and be with members when they have serious medical concerns-praying and providing support when needed. If you feel called to this ministry but are unable to cook, please donate gift cards from various places like Subway, Celina's or others in town, to distribute to members in need if Carebearers would not be able to provide a meal.
