Greetings!

Hoping you had a wonderful Christmas and are looking forward to the New Year! I want to share some information with you regarding your giving envelopes for the new year.

Earlier in the year, we decided we could print our own envelopes rather than order the envelopes from Cokesbury. Cokesbury was quite expensive and not everyone used all their envelopes. Normally we would have the upcoming years envelopes on the table at the back of the church. This year end is a little more complicated since we are not attending our church services.

Here are some suggestions for giving in 2021:

The easiest way to give is online through our website or using the mobile phone application Give+.

Secondly, you can mail your giving to the church at 25 W Custer St. Lemont IL. I have included a copy of the front of the new envelope which you can cut and include with your payment. Or include a piece of paper with instructions on where you want your donation to go. For example, \$10 to Gen Fund, \$5 to Maintenance and \$10 to Cap Imp. Then total up the amounts and include on your paper, along with your NAME, envelope # and date.

I do realize not everyone has email or printers, so lastly, you can let us know by calling the church or Sue Hinks and asking for your envelopes. Please let us know if you are a weekly, bi-weekly or monthly giver so we can give you the correct number of envelopes. We will deliver them, mail them or make arrangements for you to pick them up.

We will be working on your 2020 giving statements and will either email them or mail them to you if we do not have an email address for you by Jan 31, 2021.

Thank you for your continued generosity to our church! Also, If you would still like to pledge for 2021, please send your form to church or Sue Hinks. If you do not have a form, call the church and they will send you one! These are different times and we are all trying to get through them the best we can. We are blessed because we have a God that loves us and is with us at all times. Praise God!!!
