**PRELUDE** Bob Gergesz

**\*CALL TO WORSHIP** Sue Gergesz

L: Our relationships with our fathers are complicated.

**P: For some of us, our father's love is like God's love  
-- too deep, too long, too wide, too strong to measure.**

L: Some of our dads are here; some have passed; some were never here.

**P: For some of us, God's love fills in the empty spaces our fathers left behind.**

L: All of us are shaped by the relationship with our fathers, and our Holy Father.

**P: On this day when we remember what it means to have a father or be a father, we recognize the importance of fathers in our communities. We pledge as a congregation to love and nurture the fathers among us so that they will manifest the will of God in all they do.**
