“Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.”

Philippians 3:14

Dear Brothers and Sisters in Christ,

We began 2016 with a goal to be healthy--physically, spiritually, mentally, and relationally. We wanted to be available to live the life for which Jesus calls us. We wanted to honor God's gifts, not only of our spirit, but our mind, body, and relationships. As we enter into the Lenten season, let's continue to strive after this godly goal. In our personally lives and in our corporate life as a local church, let's press on toward the goal for the prize of the heavenly call of God in Christ Jesus.

Lent is the 40 days season that prepares Christians for the celebration of Christ's resurrection. It's a season marked by a renewed commitment to spiritual disciplines such as prayer, fasting, Scripture reading, and service. One of the ways our church can embrace the Lenten journey is through small groups. The purpose of our small groups is to gather for corporate study, fellowship, service and prayer. Over the course of 5 weeks, we will be guided through small group study that correspond with our Lenten sermon series, "I Love Sundays."

It used to be that Sundays were set aside for church, rest, and families. But for most people, Sundays have become just another busy day of the week with no time left for church or quality time with family. More and more people are wondering why life isn't working so well for them. Just as God rested on the 7th day after creation, God wired us to also need rest, relational connection, and spiritual renewal once a week. Living Sundays the way God meant them to be will lead to benefits that cascade into just about every area of life. I hope through this series we will discover how our relationships, works, finances and health can all be transformed by the decision to make Sunday the best day of our week.

Lemont UMC had always has small groups and ministries. If you haven't joined a small group, I hope you will do so. It's never too late. Small groups are a great way to build relationships, deepen faith, and bless one another. This is also one of the ways we embrace our core value of Fellowship. I encourage you to take a look at the list of small groups being offered at Lemont UMC and join a group. If you have any questions, you may contact the group leaders or our church office.

Mission is another one of our congregation's core values. We are the physical presence of Jesus Christ to the folks we encounter every day. May our regional ministry make an impact in all of the neighborhoods where we live, work, and play. Our Mission and Outreach Committee has made arrangements for some fantastic service opportunities in our community. I hope you'll make every effort to join us for this All-Church missional work. With God's mercy and love, let's observe a holy lent.

*Joyfully, Your Pastor,
Kelly T. Van*

Dear Church Family,

I want to once again thank you for the generous scholarship that I received. Over the last four years this has helped me immensely. As I enter my final year of college, I've been reflecting a lot on all the people that have influenced me over the years. One thing that has been consistent in my entire life is my faith. You have all helped me grow into the person that I am today and I am very thankful for that. I look forward to seeing you guys the next time that I'm home. Thanks again. Have a great day, Ryan

SUGGESTED NEW MINISTRY

In a recent Upper Room devotional, the author talked about visiting a retirement center for fellowship and sharing with the residents. After reading this article, I was so moved. Maybe we could form a group to have this kind of ministry! In the Lemont area, there are many centers. Please call me if you are interested. My number is: [815 838 6318](tel:8158386318). Looking forward to hear from you. Paulette Fries

A Study of Johns Gospel

By Richard H. Lee

There are many ways of studying a book, looking for a theme or subject that interests you. The same is true for a book of the Bible, which may contain several potential themes or subjects to look for. Not long ago I was reviewing the book of John and looking for mention or inference to the Kingdom of God and after that I searched John for the "I Am" statements of Jesus in a couple translations, with different results.

So when Kay Norfleet suggested studying John and looking for doctrines that was an interesting theme we could consider. I have spent some time researching the Christian disciplines so I know it can be a rewarding and challenging subject. Actually John begins with a doctrine, the divinity of Christ and the Godhead or family. I think I already told the class that John is my favorite book of the Bible and I would like to try and explain why. A discipline is something you do, where a doctrine is something you believe.

Looking for a special topic like that will make it easier to read and other references can be found that are related to a particular discipline. So instead of studying verse by verse we shall study subject by subject in just one book, but references to other books may be useful too. I think using different translations can be very useful to help understand important words or concepts, like the "Word" for example. So I have some other translations with copies I will hand out to help you and become familiar with them, like the New Living Translation, and the Message by Peterson.

I also encourage you to visit the Bible Gateway website to look up words or verses in various translations (41 available). Once you find it bookmark it so you can use it anytime and you can do research on topics also. This study won't need a lead teacher so much, as looking for subjects will be an individual search and discovery process and sharing findings will be the norm.

To Mrs. Kerins, Mrs. Tasker, and the LUMC family,

I hope everything is going well! I know that I missed Scholarship Sunday, so I just wanted to say Thank You! I really appreciate the continuous support from my church family, both financially and spiritually. Just receiving your letters always brightens my day! It was especially important to know there were people praying for me while I was studying abroad. You have given me such a strong foundation and I look forward to visits home so that I can see everyone again. Thanks so much for everything, I am so lucky to have people like you in my life!

Love Always, Rebecca Peraino

SCRIP FUNDRAISING

Scrip can be ordered at any time. It doesn't have to be at the end of each month like I am currently doing. I just have to make sure it's worth the shipping costs, which is \$8.00 no matter how many cards we order. So I wouldn't want to place a small order and have our profits eaten up by the shipping fee. We are currently working on a plan to have the most commonly used cards on hand. Thank you for your patience in this matter, but most importantly....**Don't forget to order** while we are trying to perfect this fundraiser.

Checks to be made payable to Lemont United Methodist Church. If you have any questions you can e-mail me at Margefox2366@gmail.com or call me at [630 207-1151](tel:630207-1151). Thank You for your patience in getting this running smoothly!

Fundraising WHILE YOU Shop

Scrip fundraising is a no-selling program that enables families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

Handyman wanted

We have widows in our church who may occasionally need help with household repairs: basic maintenance and grass cutting or snow shoveling. Ideally it could be a retired man with experience in building. Please contact the church office at: 630-257-5210 if you are interested.

ESL Tutoring

Kay Norfleet has graciously offered to teach English as a second language to anyone in need in our church family. If you are interested, you can contact her at 630-257-6699.

The book “Radical Prayer” by Manny Mill caught my attention as it was reviewed on the radio. “The principal truth connecting everything in this book: namely that prayer is not selfishly 'willing' or wishing something into being ...but acknowledging-as Jesus Himself said in Luke 11- the one to whom we owe our very allegiance, our very lives. For His HONOR and NAME ALONE, can we boldly, persistently-radically- bring our requests to God the Father, through Jesus Christ, as led by His Spirit, and confidently wait for his response. Prayer is about God, not us. God focus-this hallowing of God's name is not present in so many of our prayers. We are under the direction of Someone who gives good gifts and who answers prayers in ways that glorify Him-not necessarily to satisfy our wants and needs.” If you are desperate to experience revival in your heart, realize, honestly confess and delight in God's ownership, commit yourself to obedience to His Word- HALLOW HIS NAME.

Two fiction books by Christian writer, Ted Dekker, are sure to catch your interest in this time of indoor activity. “Thr3e” and “Blink.” God has given Ted Dekker quite an imagination for us to enjoy. “Thr3e” is more of a suspense book. Can man step beyond evil's reach? (No, but God can.) “Blink” is set in the Middle East, as is so much of our news today. The future can change quickly, we must be able to adapt. How? I think you know.

Also, “The Chronicles of Narnia by C.S. Lewis.” This tome includes “The Magician's Nephew,” “The Lion, the Witch, and the Wardrobe,” “The Horse and His Boy,” “Prince Caspian,” “The Voyage of the Dawn Treader,” “The Silver Chair,” and “The Last Battle.” Read one, two or all...whatever, you are sure to enjoy C.S. Lewis.

“Songs of Praise” is a Christian CD of songs for kids. Haven't I heard the junior choir sing some of them: “Praise Him, Praise Him,” “Kum-Ba-Yah”, and “God Is So Good.” Repetition can convince.

OPEN PANTRY NEWS

The Open Pantry is in need of volunteers for the Monday morning workday from 9:30 to 11:00 AM. The Open Pantry also is in need of egg noodles and Mac & Cheese.

Thanks, Deb Chappell

Sanctuary Volunteers Are Needed!

As you have seen, the video and audio are up and running. What we need now are volunteers! We do not want to have one person stuck in the booth every Sunday. Plus we need to spread the knowledge around so when someone goes on vacation, there will be someone to fill in. Our goal is to have 4-6 people who are comfortable flipping through the computer presentation slides and 4-6 people who are comfortable raising and lower the sound on a mic so we do not have feedback. You do not have to worry. We will walk you through the programs and train you so you feel comfortable with the devices! We just need volunteers!

There is a sign-up sheet in the back of the sanctuary for both sound volunteers. We need people for both the 8:30 and 10:45 services. The more we have the better. That means that everyone will be able to sit with their family most Sundays. So, please put your name on the sign up sheet or stop by the booth and let Jana Stelter or someone on the Worship committee know. We will get you familiar with the program so you can get in the rotation to volunteer for a service.

To Lemont United Methodist Church,

I would just like to send a belated thank you for the College Scholarship I received. It always amazes me how generous our church and congregation can be to a group of young adults that often are away for most of the year. Like we always say in person, it means so much knowing that even though we are that far away from home, for the most part fending for ourselves, there are people back home that genuinely care about us and want to help in our lives despite the fact that the church could probably find numerous ways to use the finances handed out through these College Scholarships.

A special thanks to Mrs. Kerins and Mrs. Tasker for continually putting effort into keeping us a part of the congregation while away at school and helping us grow in our spiritual lives. I look forward to seeing everybody at LUMC when I am back in town. Thanks again!

Very Respectfully, MARK P. KIRKMAN, C/Lt Col

NEW SUNDAY SCHOOL SUBJECT

I would like to announce my purchase of a new set of DVDs from public TV (WTTW) on: "Ancient Roads From Christ to Constantine" which I would like to share next year maybe as a Sunday school subject. Each lesson is one hour in length and there are 6 total. Rich Lee

Interesting facts about essential oils and what they're good for. If anyone is interested in exploring more let me know, as I am a Young Living Essential Oil representative. In addition, Lavender Essential Oil is a very beneficial calming oil for sleep, but who would have thought it was used for Injuries! Yes, if Lavender is immediately used, the swelling is minimized and very little bruising appears.

Thanks! Marge

To Lemont United Methodist Church,

A special thanks to the LUMC community and especially for Mrs. Tasker and Mrs. Kerin's efforts in coordinating the scholarship program for us students. We are so blessed to have such a wonderful congregation full of caring families. It is both motivating and reassuring to know that there are loving people with well wishes for me throughout the year and during the school year. I am truly grateful for the scholarship and the financial assistance that it provides tone. Thank you again.

Sincerely,
Eric Kirkman

SENIOR HIGH YOUTH GROUP

Monets in the Making

In January, the LUMC Sr. High Youth Group spent an evening at L'Arte e Vita, an art studio in downtown Lemont. A local artist helped the youth explore their creative side...walking them through steps to create their own rendition of a classic painting. Who knew we had so many talented people in our group? Everyone had a great time and each canvas ended up unique and beautiful! As one youth observed, "Painting is so relaxing!" Our lesson for the event was "The Eye of the Beholder." We explored society's definition of beauty vs what God sees and concluded that we are perfect as we are because that's how God made us. The key is to let the Holy Spirit guide us to look at the world through a "pure eye" (Matt. 6:22-23). If we do that, we'll see what God intends us to see. We encourage everyone to

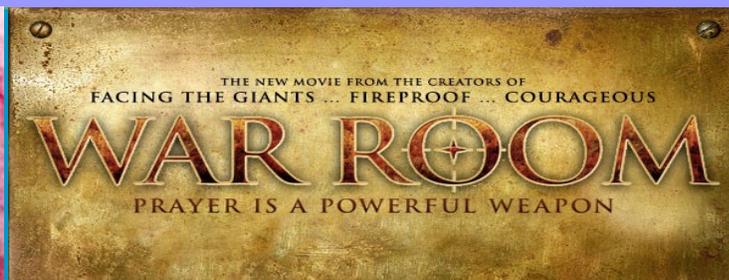

adopt the guiding motto "**WWJS**"... **What Would Jesus See?**

Our next SHYG event is scheduled for 2/21/16. Mark your calendars!

More information will be sent out via email so any high school youth that would like to be added to our email distribution should please contact the church office.

Expanding Care Bear Ministry

Pastor Kelly takes communion to the "home bound" and visits those who are in the hospital. We are looking for people to prepare a home cooked meal and be with members when they have serious medical concerns-praying and providing support when needed. If you feel called to this ministry but are unable to cook, please donate gift cards from various places like Subway, Celina's or others in town, to distribute to members in need if Carebearers would not be able to provide a meal. Please consider this ministry prayerfully and contact :
