*Come join us in
celebration God!*

Dear Families of Lemont United Methodist Church,

We have been blessed with beautiful autumn weather and colorful nature. We definitely saw the goodness of the Lord in our land. Very soon we will be transitioning to the season of Thanksgiving. We are always happy when Thanksgiving approaches because this festive occasion gives us the opportunity to appreciate and express our gratitude to God and to all those with whom we have worked together.

Personally, I truly give thanks to God for my smooth transition to Lemont United Methodist Church and for the warmth of the congregation, welcoming my husband and I in their midst and taking care of us as their family. Especially, I give thanks to God for my husband, who is much happier, healthier, and more active in the church life. Also, I am grateful that my husband's and my unexpected surgeries turned out great and we recovered very well. In the midst of all the hustles and bustles within the past few months, we were able to take a vacation to rest and renew with the support of Staff-Parish Relation Committee. With the countless blessings we have had, I give thanks to God for the guidance and presence that God has shown us. I also wholeheartedly thank you for your supports, prayers, and presence in many ways. We have seen God and experienced God's grace in and through you. Thank you~!!!

1 Thessalonians 5:18 says, "Give thanks in all circumstances; for this is God's will for you in Christ Jesus." God wants us to live with a heart that is filled with gratitude and hope that God always walks with us in the midst of storms. However, many times our minds are dominated by negative perspectives and filled with murmuring and complaining so that we miss counting the blessings that God has bestowed us and feel that we walk alone. Yet, God reveals God's very self to us in our daily struggles. Therefore, let us trust in God and give thanks in all circumstances. I pray that God continues to bless you and give you God's heart to move forward with gratitude in your everyday life and particularly, as the community of faith, in making a difference in the lives of children, youth, and people of all ages in our church, community and the world through our missions and ministries.

In expression of our gratitude and honoring God in everything we do, I invite you to ponder what each of us is giving in terms of time, talent, and money to share the goodness we've received from God. I encourage you to pray about your giving for next year and fill out the commitment card that you are going to receive in mail soon. Then bring the card on Commitment Sunday, November 20, 2016 as we celebrate our Thanksgiving Sunday with songs and testimonies. Remember, as we honor God through our generous giving, God promises us to fill our need with plenty and overflowing blessings.

In November, we will remember All Saints who have gone before us on the 1st Sunday, November 6 and will honor and recognize the sacrifices of our Veterans on 2nd Sunday, November 11. As we also enter into the Advent season, we will hang of the Greens and award College Scholarships on 4th Sunday on November 27. I invite you to join our Advent Bible study on The Journey: Walking the Road to Bethlehem, starting on November 16. Come join us! Hope that you all have a great Thanksgiving Day.

Blessings,
Pastor Hyo-Sun Oh

SCRIP FUNDRAISING

Friendly Scrip Reminder.....

Scrip can be bought as a gift card, or as your own card to be used as cash wherever your favorite place to shop may be. You buy a card for \$25.00, \$50.00 or \$100.00 and YOU GET \$25.00, \$50.00 or \$100.00 to use as cash. The church automatically gets a percentage. The list of all participating merchants, restaurants, gas stations are in the back of the church. I now have Meijer, Olive Garden/Red Lobster, Walgreens, Walmart/Sam's Club, Panera, Jewel, Bass Pro Shop, Home Depot, Buffalo Wild Wings, Starbucks, Dunkin Donuts, Target, and Kohl's. PLEASE BE AWARE THAT IF YOU BUY A KOHL'S CARD YOU CAN USE IT TO PAY YOUR CHARGE! AND THE CHURCH GETS THE PROFIT! At this point no other card that I know of Yet allows you to do that. Scrip is the easiest Ongoing fundraiser to participate in. We all just have to get in the habit of buying those cards to keep on hand for things we purchase or place we go on a regular basis. As proceeds build up, they can be dispersed where our current need is. Our profits are **\$634.00!** So basically all our profits will be kept until a need arises and the money will be there!

Fundraising WHILE YOU **Shop**

Scrip fundraising is a no-selling program that enables families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

OPEN PANTRY NEWS

Volunteers are needed to help staff the Open Pantry Hours on the first Saturday of the month from 9:00 AM to 10:00 AM, this is light work and helpful to families that work during the day. The Open Pantry is in need of spaghetti sauce, tomato soup, jelly peanut butter, peas, and diced tomatoes.

Sanctuary Volunteers Are Needed!

As you have seen, the video and audio are up and running. What we need now are volunteers! We do not want to have one person stuck in the booth every Sunday. Plus we need to spread the knowledge around so when someone goes on vacation, there will be someone to fill in. Our goal is to have 4-6 people who are comfortable flipping through the computer presentation slides and 4-6 people who are comfortable raising and lower the sound on a mic so we do not have feedback. You do not have to worry. We will walk you through the programs and train you so you feel comfortable with the devices! We just need volunteers!

There is a sign-up sheet in the back of the sanctuary for both sound volunteers. We need people for both the 8:30 and 10:45 services. The more we have the better. That means that everyone will be able to sit with their family most Sundays. So, please put your name on the sign up sheet or stop by the booth and let Jana Stelter or someone on the Worship committee know. We will get you familiar with the program so you can get in the rotation to volunteer for a service.

SCRIP CARDS

Holiday's are coming up fast! Please remember to plan early, and order your SCRIP card purchases for on time delivery. I am hoping to have my next order in by November 6th and again on December 11th so your cards will arrive in time for Thanksgiving and Christmas.

FUN OPPORTUNITY

Looking for a fun way to participate and serve our church? Then think about joining our Activities Committee. We will be planning activities that include everyone for the year. Some suggestions have been a talent show, a ladies luncheon, a game night, a campfire and movies. If you are interested, please contact Peg Pecher: (847-204-1747) or the church. Come help us make our church a joy filled church.

SUGGESTED NEW MINISTRY

In a recent Upper Room devotional, the author talked about visiting a retirement center for fellowship and sharing with the residents. After reading this article, I was so moved. Maybe we could form a group to have this kind of ministry! In the Lemont area, there are many centers. Please call me if you are interested. My number is: [815 838 6318](tel:8158386318). Looking forward to hear from you.

Only A Bowl By Richard H. Lee

I saw a TV program about children in Africa being fed once a day a big bowl of cereal that kept them from dying of starvation. I don't know where the sacks of food came from but a few local women cook it up every day to feed the precious little ones. It probably wasn't as tasty as my oatmeal and raisins I like for breakfast but you could see from the looks on their faces they were grateful for it.

Not having enough to eat is also a problem for people in Haiti where poverty and destruction is everywhere but no one seems to care. Maybe this would be a good project for Jimmy Carter and his Center who has great compassion for the poor and knows how to raise money and people to do the job. Maybe such a project to restore Haiti is too big for the US government that is now crippled by political division and hatred. I think the Republican party really needs an outstanding leader with integrity and compassion for all the poor and unemployed.

Instead of building our military to exceed the power of Russia and China like Reagan did, we need to take care of basic human needs first. Maybe we should try eating only a bowl of cereal or soup a day and see how we feel. Would that be enough for us?

Stewardship Minute

Marty Knott

Chairperson, Stewardship and Finance Committee

This is the next in a series of articles about stewardship. In these articles I will try to inform you about the many ways you can contribute to your church's programs.

"The 2017 Church Budget"

At the Administrative Council meeting on October 26th the church budget for 2017 was edited and approved. A copy of this budget can be found on a table at the rear of the church sanctuary, so feel free to look it over and see what we are planning for next year.

A few highlights might interest you. The General Fund, which pays salaries, utilities, and our principle outreach will increase by only 4%. The maintenance Fund, which provides repairs and improvements for the church and parsonage, insurance, cleaning, and supplies will decrease by 44% due to the heavy spending in 2016. Current bills and future improvement work will be covered the Capital Repair Fund which was built up by member loans. These loans will be repaid over the next few years.

A very important aspect of our spending and next year's budget is our Christian outreach. The major portion of this aspect is our monthly apportionment payment to the United Methodist Conference. This helps to operate the larger aspects of the United Methodist Church, including many local, national, and world-wide outreach programs. The total outreach portion of our 2017 budget will amount to 15% of our total budget! It is our opinion that our church's many outreach programs and mission-related spending is the reason the conference has lowered slightly our apportionment payments for 2017.

Of course the budget does not include the many other Christian outreach programs of our church. One example is the major Open Pantry program through which our church helps to feed the many jobless and hungry families of our region. Another example is the meals we provide each month at the Daybreak Homeless Shelter in Joliet. Keep in mind that both of these programs require the time and effort of many church members to enable them to work

Our church also provides a base of operation for scouting programs and the Happy Hands Preschool. These programs provide an outreach to our local community as is the duty of any Christian church. So in 2017, please consider your continued support of our church, its outreach and its Christian mission in the world.

General Fund starting balance: \$4,269

Receipts: 9,655

Expenses: 12,499

General Fund ending balance: 1,425

Maintenance Fund Balance: 41,674

RAINBOW COVENANT

November Loose Change Sunday (11/27/16)

Today is "Loose Change Sunday." All loose change collected on the fourth Sunday of each month goes to support the Rainbow Covenant charities. For November, we are highlighting the **blue band charity, Epworth Overnight Warming Center.** Epworth UMC hosts a year-round overnight warming center that serves 65 men every night of the year, providing food, sanitary facilities, and safe haven. Transitional support services are available. Please place your loose change in the offering plate today to support their work. If you would like to make a larger offering to this specific charity, write "Epworth" on a pew envelope. Thank you for your support of the special ministries in the Rainbow Covenant.

Daylight-saving time ends

- Turn your clock back one hour tonight before going to bed.
- It's also time to change batteries in your smoke detectors.

Thank You

Thank you to Dale Janssen and everyone who helped make the Bonfire a success! It was a wonderful evening of food and fellowship. We hope to see everyone next year for another bonfire!

Books Available in the Library By Kay Norfleet

November 2016 book reviews

Handyman wanted

We have widows in our church who may occasionally need help with household repairs: basic maintenance and grass cutting or snow shoveling. Ideally it could be a retired man with experience in building. Please contact the church office at: 630-257-5210 if you are interested.

ESL Tutoring
Kay Norfleet has graciously offered to teach English as a second language to anyone in need in our church family. If you are interested, you can contact her at 630-257-6699.

The first book is of "Zipporah," donated by Carol Walter. Zipporah was the wife of Moses. It was a mixed marriage, she was from the land of Cush, located in southern Saudi Arabia and he was a Hebrew from Egypt. She was black and he was white. Yet what mattered most was the respect they gave to each other. He showed his care and concern for her and her family after their first meeting at the well. He had fled Egypt because he had angered the Pharaoh, and he was new to her land. Yet he remained and asked her father for her hand. Respect! I believe that's the key word. It applies all though out this book, and it ought to apply to how we treat others today. So, thank Carol for giving us this book.

A small book, "PolitiGuide" is one I hope you will pay attention to BEFORE the national election on Nov. 8, and even after if this review doesn't get to you in time. The chapters discuss abortion, capital punishment, the economy, gay marriage, global warming, gun control, healthcare, immigration, national security—all issues that should influence our way of thinking. As has been said, this time our choices will influence God's world. We need to be good disciples. Right? Write or somehow get in touch with your congressmen. YOUR input is crucial. It is your duty as a good citizen to vote.

That's a principle from the Bible and has been repeated by many. But you must be an INFORMED voter. I hope that the material I have covered in the past two months and what you have been exposed to, what God has told you, will give you the prayer power to vote as He wishes. Franklin Graham has suggested, and I strongly agree, that we each take several minutes on the night before the election, Nov. 7, and pray for God's will to be done in the election. He said here's my prayer—that whoever is put into the office of President of the United States of America will know that it was God who put them in that position and that they will have a fear and a reverence for the Lord. Please join me in continuing to pray because this election is the most critical in our lifetime. The next president will be in a position to possibly influence the Supreme Court—for good or for bad—more than any other president in history.

The next book is Nicky (ALPHA speaker) Gumbel. (John Nelson donated the book to the church library.) Nicky writes about all sorts of subjects which the Bible has written about. Homosexuality: Romans 1:32 "homosexual practice goes against God's created order." The Apostle Paul condemns not only those who keep on doing these indecent acts, and those who approve of them. Human sexuality is confirmed by the Bible, but it is qualified. (So, hate the sin, but love the sinner.) Suffering: Man has free will. God gave that to him in the garden. However our suffering is often caused by that free will OR by the free will of others. Suffering is something God uses to draw us closer. He does want only the best for us. Remember that. Illnesses often remind us that no matter how much we pray for healing, they will often endure. But isn't it good that God will use our suffering to give us a better life. Believe! The freaks of nature, hurricanes and floods and such, can be lessened IF man built stronger buildings and retaining walls and used the money God has provided to take care of others—the Golden Rule. The relationship between science and religion. We must not forget the many Christian scientists who gave us the electromagnetic theory, gravity, pasteurization, antiseptic surgery...and the list goes on. Some scientists doubt the Intelligent Design...and God laughs as He proves it again and again.

Several other subjects are pointed out as their relation to the Bible. So interesting!

The last book is "The Promise of Jesse Woods " by Chris Fabry, one of my favorite Christian authors. Matt Plumley's experience of growing up took place in Dogwood, West Virginia. It was, as was all of ours, probably, a time of fun and not-so-fun. Now he lives in the big city, Chicago. A telephone call from a friend in Dogwood gets his attention and he returns to Dogwood.

ACTIVITIES COMMITTEE NOVEMBER ACTIVITIESChurch Decorating

We will be decorating the church for Christmas on December 4th after the 9:30 a.m. service. There will be cookie and church decorating, craft making, music, and fellowship. We welcome any youth who would like to play their instrument. Please plan to stay for the Christmas Story!

After Christmas we will use this time to fellowship with our own crafts or learn how to do new things. This is a nice activity to move from home to home. Other things we discussed making: Prayer shawls, pillows, garbage bag mats for the homeless.

LUMC WELCOMES THE END OF FALL CONSTRUCTION

The Fall Construction season came to a successful conclusion as the west sidewalk was completed, the north walkway and garden walls were re-installed, and the east side garden area was covered with new sod.

This project would not have been successful without the help of many key volunteers. Al Janovyak spent countless hours on his bobcat preparing the earth and moving tons of stone and rock. Some of his equipment received damage that slowed down the effort, but Al's repair skills got them back in working order as soon as possible.

Tom Kehr spent several days constructing the cement forms before the concrete arrived. He then secured the concrete finishers who did a remarkable job after their regular working shifts. The quality of the new west sidewalk is a result of Tom's skill and hard work.

We had several volunteers who spent Saturday Sept. 24 installing the sod on the east side. Don Muggenborg, Tim Peraino, Dale Janssen, Tony Ferrazzi, Mike and Mihash Cheehy, Rob and April Lange, learned how to install sod due to the skillful directions of Al Janovyak.

Dale Janssen spent hours cutting asphalt with a concrete saw and Tim Peraino spent countless hours supervising the Eagle Project installing the new north wall. Mark Hugelman worked alongside the Scouts as the wall began to take shape.

Finally, each of the Trustees took shifts for 2 weeks watering the new sod to make sure it would take root.

Next spring we look forward to completing the sod on the west side, finishing some walls around the church, and helping resurface, restripe, and supervising the resurfacing of both of the parking lots.

We are blessed to have such wonderful volunteers in our church.

WE WILL BE UPDATING OUR DIRECTORY WITH PICTURES!

SPRC is working on updating our directory with pictures. Please submit a picture and any address changes by November 30th to the church office.

For any further questions please contact the office or any SPRC member.
