Bishop's Column: Looking Ahead to GC19

In a few weeks—February 23-26, 2019—the delegates to the General Conference of The United Methodist Church will meet in St. Louis, Missouri for a Special Session in order to discern a way forward in regards to the impasse and conflict within the church related to human sexuality. Many of you have stayed abreast of what's transpired since General Conference 2016 but I'm going to give a very brief overview and provide a few links to resources and access to the proceedings for more detail.

In May 2016 the delegates to General Conference approved a request that the Council of Bishops delay a debate on homosexuality and provide "a way forward" for the denomination in our disagreement on human sexuality. Controversial statements at General Conference began in 1972 and since then the conflict has intensified until, by 2016, it was difficult to focus on anything else—most of all, the mission of The United Methodist Church. Our witness and influence as a church was (and continues to be) hindered by this conflict.

Commission on a Way Forward

By late summer 2016, the Council of Bishops established a Commission on a Way Forward, bringing together a very diverse group of United Methodists from around the world over the course of 18 months to design proposals that would be presented to a Special Session of the General Conference February 23-26, 2019. Meeting several times with the Council of Bishops, the Commission worked primarily on two designs: One Church Plan and Connectional Conference Plan. They abandoned work on the Traditionalist Plan after little work on it at the request of the Council of Bishops. In May 2018 the Commission brought their plans to the Council of Bishops and the Council of Bishops recommended the One Church Plan to the Special Session of the General Conference 2019.

The Council of Bishops, however, sent all three plans, including the Traditionalist Plan (which wasn't written by the Commission but was later written by a handful of people, including a few bishops) to the Judicial Council to determine ahead of time whether the plans were in keeping with the Constitution of The United Methodist Church. These plans have been described over the last 8 months and they all were scrutinized by the Judicial Council. You can find the Judicial Council decisions by visiting www.umc.org/judicialcouncil and search Decision NO. 1366.

One Church Plan

I am in favor of the One Church Plan because it allows space for all God's people; those who think like me and others! I personally regret that the One Church Plan doesn't guarantee full inclusivity but it allows room for the Spirit to move in the future, not locking the church—the annual conferences, local churches or clergy—into binding commitments related to human sexuality or forcing anyone to do anything against their conscience. As I have said all along in Northern Illinois, if you're conservative or a conservative church, then make disciples and show fruit. If you're progressive or a progressive church, demonstrate the same. The mission field is vast and needs all of us to share the gospel and God's love. As we continue to prepare for the Special Session, I encourage you to inform yourselves and your church by utilizing the resources that have been made available to all of us at online (see below for links). Most of all, I encourage you to pray for our six delegates from the Northern Illinois Annual Conference along with all the others from around the world. May all hearts and minds be open to God's Holy Spirit in this time of discernment.

Debriefings in March

After the Special Session, I invite you to join me, the cabinet and others in discerning just what happened at GC19 and its impact on the general church, our annual conference, your local church, and you as clergy at one of three debriefing sessions on [March 30](#) and [March 31](#). We don't know what will happen at the Special Session. We may change the structure of the United Methodist Church or totally come apart. We may adopt one of the plans (or a variation of it) or do nothing. What we know is that on **February 27, 2019**, God still expects, calls and sends us out to make disciples of Jesus Christ for the transformation of the world! May it be so!

~Bishop Sally Dyck

****Scrip Cards****

I encourage you to look at the 2 folders I recently placed in the back of the church marked: **SCRIP by Category** and **SCRIP Alphabetical**. Feel free to take the list and browse through the many many retailers that participate in this program.

Scrip fundraising is a no-selling program that enables families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

Customize this field with coordinator contact info, enrollment code, and/or sign-up information.

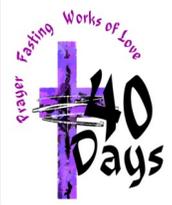

shopwithscrip.com
© 2013 Great Lakes Scrip Center LLC

Also please know that **VISA** cards are available in increments of \$50, \$100, and \$250.

There are many retailers that offer "**Visa five back**" which means if you go to a participating retailer, they will put 5% of your purchase back on your card.

Red Lobster, Outback, Panera, Sephora, Red Robin, Old Navy and Bakers Square are just a few. For many more please visit www.fivebackgift.com for a complete list.

Again, I Thank You for your participation in this program!

40 Days of giving Food Items to Open Pantry~

OPEN PANTRY NEWS

Volunteers are needed to stock shelves for the Open Pantry. Hours are on Monday mornings from 9:30-11:00, this is light work and helpful to families that work during the day. **The Open Pantry is in need of canned fruit, cereal, mac and cheese, pasta sauce, paper towels and snacks.**

Sanctuary Volunteers Are Needed!

As you have seen, the video and audio are up and running. What we need now are volunteers! We do not want to have one person stuck in the booth every Sunday. Plus we need to spread the knowledge around so when someone goes on vacation, there will be someone to fill in. Our goal is to have 4-6 people who are comfortable flipping through the computer presentation slides and 4-6 people who are comfortable raising and lower the sound on a mic so we do not have feedback. You do not have to worry. We will walk you through the programs and train you so you feel comfortable with the devices! We just need volunteers!

There is a sign-up sheet in the back of the sanctuary for both sound volunteers. We need people for both the 8:30 and 10:45 services. The more we have the better. That means that everyone will be able to sit with their family most Sundays. So, please put your name on the sign up sheet or stop by the booth and let Jana Stelter or someone on the Worship committee know. We will get you familiar with the program so you can get in the rotation to volunteer for a service.

DAYBREAK SHELTER NEEDS YOU!

Our church has had very consistent, dedicated cooks for the last 10 plus years, lets give them a well deserved reprieve. There are so many able bodied cooks in or congregation....how bout sharing your talents and a little of your time? Remember it's only once a month, and if you double it, you have your personal dinner as well :) Marge

*"You are my beloved daughters and son

MY LIFE'S JOURNEY AND MY FAITH

My journey started in a Methodist household many, many moons ago. I am so grateful to my parents for leading me and my six brothers in the journey. From early childhood, our parents instilled in our minds the importance of having a strong faith in God; the importance of prayer and stewardship both of talents as well as financial and material support to the church and its missions. From my early years, I have already known that we are all given the great commission: "to spread the gospel and make disciples of Christ".

Sometime in my early twenties, a young Methodist deaconess was assigned to our church and after few years of friendship, would become my better half. From then on, Aida and I journeyed together in life and in faith.

Before marriage, I worked my way through college and had a Bachelor of Arts degree major in Political Science, minor in English and World History. I finished a year of post graduate studies in World History and Literature but our migration to the United States in March of 1975 halted all my quest for further studies. The migration was a great challenge to our journey. We arrived to a foreign land with a four-year old daughter and a few dollars in our pockets. Luckily, Aida had a sister who came to this country two years ahead of us, hence, we had a place to reside temporarily.

Upon arrival to this country, we maintained our close connection with the Methodist Church and became members of the Chicago Temple from the fall of 1975 through mid 1979. In early 1980, we transferred our membership to First United Methodist Church of Oak Park. Due to circumstance not worthy to mention, however, we opted out of this church in 1987. Then we transferred to Euclid United Methodist Church in 1988; to St. John's UMC, Oak Park. In 1993; to Elston Avenue UMC in 1999; back to First UMC of Oak Park in 2002; to Faith UMC 2012, then to Lemont UMC this January of 2019.

In all of those churches, including those in the Philippines, I have served in various positions: I have been a financial secretary, chair of finance, treasurer, chair of ad council, treasurer and president of Methodist Men, served in board of trustees, mission, PPRC, historian, photographer and delegate to the annual conference.

Stewardship is also important to me and my family, as Acts 20:35 says, "It is more blessed to give than to receive", hence, we feel blessed as we give to the church for God's glory. Stewardship could be expressed in so many ways, and we intend to do it as we enter into the membership of this congregation. We are guided by our faith in all our ventures in life, praise be to God! Grace and peace!

Emmanuel Linzaga

MY FAITH JOURNEY

Looking back at my life, I am where I am now because of the leading of the Holy Spirit. My early years were spent doing church work & when we came here in the USA, I was led to the school system where I retired as a Special Education Teacher. My teaching experience included being a kindergarten teacher, a high school teacher, a college instructor, a school guidance counselor.

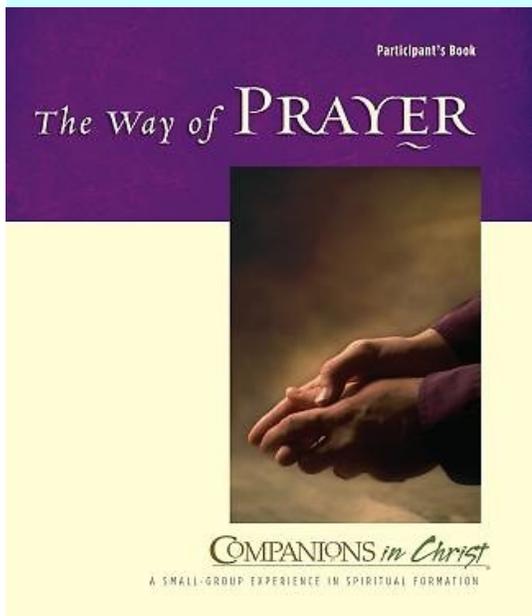

I feel we are blessed because despite some challenges we faced, He has given us all our needs, we can't ask for more. God has also taught us to fully trust Him and remember that we have to have patience in what we ask for because it is in God's own time that we are given what we petitioned for.

It has been our priority in life that wherever we are, we have to have a church where we can worship, we can serve God, the giver of our life. So, when we moved to Downer's Grove after living in Florida for more than 6 years, we visited different Methodist churches. LUMC is the 4th church, here, we observed that members are enthusiastic and alive. We were greeted by a number of worshippers, the Pastor was friendly and she gave us info on the life of the church (which other churches did not provide), the children and youth actively participated; more laypersons are used in worship, different worship experiences were used, too, which enrich the life of members in their connection with God.

We look forward to being a part of the life of the church where we can join in learning, growing in our spiritual life. We envision being used by God to serve in any way He wants us as we join the church this Sunday. Thanks be to God!

ADULT SUNDAY SCHOOL STUDY

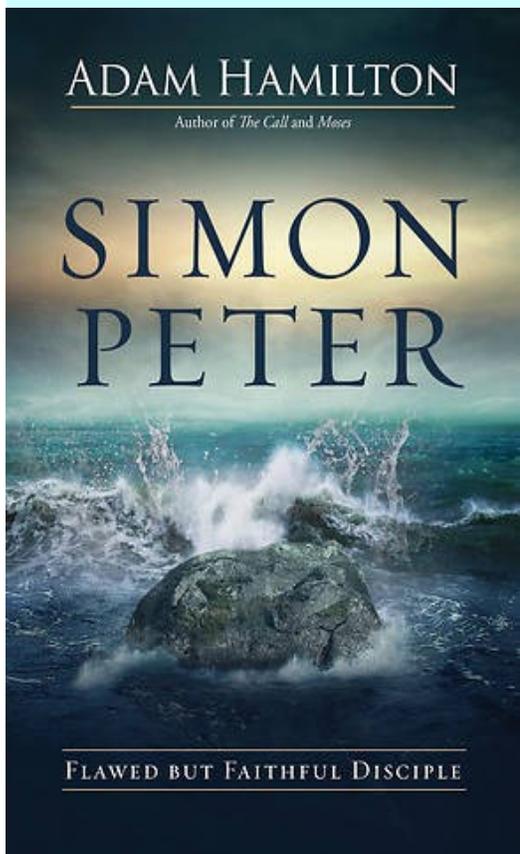

"It's said that prayer is so primal an urge for humankind that we're born into the world praying. Yet, something so natural and seemingly so easy comes hard sometimes. The Way of Prayer is a 10-week small group study about the nature, practice and results of prayer. Some forms of prayer arise in our lives spontaneously, some are learned by rote and others are stumbled upon as we move through life. "All prayer, formal or informal, is about our relationship with God," writes Vennard and Bryant.

"...Somewhere deep inside us resides the experience of being so deeply connected to God that we long to express the wonder of that relationship. We

pray because we can...and must." Honor the ways you were taught to pray while expanding your understanding to include new ways to pray in this seventh title in the Companions in Christ series. Topics covered include: * How do you pray? * Images of God * Praying by heart * Praying with music * Praying by gazing * Praying with our bodies * Scriptural prayer * Contemplative prayer * Praying with and for others * Prayer and social transformation"

LENTEN BIBLE STUDY

He was not rich or educated, but was familiar with hard work. He was quick-tempered and impetuous, but possessed a passion that would change the world. He left everything to follow his teacher, yet struggled with doubt and fear.

Join pastor and author Adam Hamilton in this six-week Lenten journey, and take an in-depth dive into the life, faith, and character of Simon Peter.

Dale Janssen will be teaching on every Sunday at the 9:30 am Adult Sunday School.

Pastor will offer a Bible study class. Please let her know if you are interested.

THANK YOU FROM HOPE AND FRIENDSHIP

Together, WE, closed out 2018 making massive ripples.

You made our Christmas Care Bag and Christmas Dinner Delivery possible and assisted our team of volunteers fill and create 84 Large Care Bags of personal care, cleaning and paper products, and arrive at 107 homes (the most homes in our 14 years) here in our community on Christmas Day with care bags and a fully cooked meal extending hands from friend to friend, offering a serving of Christmas spirit and love to those within our arm's reach who struggled financially, physically or emotionally through the holiday season.

Thank you for allowing me to respond to a calling on Christmas Day 2005, seize it with your heart, passion and generosity and most of all your unconditional and un-judging compassion that made this humble offer of basic needs, warmly received by those whose hearts, homes, and bellies, you filled with TLC, hope, love and peace.

Now we begin the New Year continuing to make ripples and I hope to join together with more hands, feet and hearts as I continue forward into Hope and Friendship Foundation's 14th year here in our beautiful corner of the world.

Hope and Friendship Foundation has no one physical home base for it's outreaches, but because of the kindness, generosity and offering of space from Lemont churches, schools, businesses, and property, each of the outreaches continue to create the opportunity for the mission, "to be a conduit from those who can help to those who need help" to grow and meet needs right here and right now. Thank you to every business owner, Pastor, administrator/supervisor, caring person who opened their venue and allows us to not just complete the task but grow in our reach to meet more needs.

Pizza Sale Pick Up

Please pick up your pizzas after the 8:30 am
and 10:45 am services.

Thank you for supporting Red Bird Mission.

Loose Change Sunday & Rainbow Covenant

February “Souper Bowl” Sunday *(this is not a Rainbow Covenant band)*

Coinciding with the football Super Bowl on Sunday, **February 3rd** our Sunday School children will take a special collection for the LUMC Open Pantry. Reach into your pockets to drop a coin or bill into the soup pots. Even just \$1 per person will help! It might not seem like much but together we can make a difference! All contributions will be donated to our Open Pantry to help provide food for local families in need. Thank you for helping us put a bowl of soup on every table!

February 2019 Rainbow Covenant

In addition to our annual apportionment, LUMC makes monetary donations through the Rainbow Covenant in order to support specific causes. All loose change collected on the fourth Sunday of each month goes to support the Rainbow Covenant. Each month we highlight a charity from one of the bands of the Rainbow Covenant. For February, we are highlighting the **blue band charity, Empowering North Korean refugees (ENoK) (#60000235)**. Young lay members of the Hyde Park Korean United Methodist Church have been volunteering their time and resources to provide resettlement support to North Korean refugees living in America through ENoK. Please bring in plenty of change on **February 24th** (Loose Change Sunday) to contribute to the Rainbow Covenant. If you would like to make a larger offering to this specific charity, write “**ENoK**” on a pew envelope. Thank you for your support of the special ministries in the Rainbow Covenant.

Offering Envelopes

Please pick your offering envelopes. **Individual envelopes are not numbered.** Due to our new system it is imperative for you to write your name and number on your envelope. If you have any questions please contact Peg Pecher.

Thank You

Senior High Youth Group

On January 27th the SHYG went to The Archery Place to learn how to use a bow and arrow. They learned what it is to be a “straight shooter”!
Stay tuned for our next meeting!

A big thank you to Pastor Oh for the star words for my students!

They loved picking their word, looking up the definition in the dictionary and discussing with each other how they would use the word to guide them in their daily life. During a discussion on resolutions I told them about how my Pastor introduced the idea of the word stars to the congregation. They were all enthralled with my sharing that Pastor had handed out the stars during worship. They asked would I do that for them. I asked Pastor if she had a list of words that would be appropriate for children and she graciously sorted through the stars and let me have a basket of words to share with my students. Some students even asked for 2! They decided to hang their stars at school so they could be reminded of them each day. It was a beautiful lesson.

Blessings, Loryl Fisher

SUGGESTED NEW MINISTRY

In a recent Upper Room devotional, the author talked about visiting a retirement center for fellowship and sharing with the residents. After reading this article, I was so moved. Maybe we could form a group to have this kind of ministry! In the Lemont area, there are many centers. Please call me if you are interested. My number is: 815 838 6318.

Looking forward to hear from you.

This Expert From NASA Says Earth May Have Already Been Visited By Aliens

Yahoo news featured this headline that caught my attention and my response was, “of course we have been visited by aliens known as angels and the Lord Jesus Christ. We’ve just celebrated the visit of angels and the birth of our Lord in Bethlehem over 2000 years ago.

But, of course, if you don’t believe those stories from the Bible then maybe you would believe the remarkable lives of geniuses like Tesla and Isaac Newton or Einstein who discovered how the universe works. Places like Machu Pichu and the pyramids in Egypt and elsewhere got built with technology way beyond what was available even today. I think they were built by extra-terrestrials just to wonder where these mysterious beings came from and should make us wonder if we will again be visited by them. That Day is coming!

February 2019 Book Reviews

"The Scriptures teach us to live and love fully," but somehow we sometimes SKIP over the healthy eating, living and what it contributes to honoring God's vessel of the Holy Spirit, our body. Rick Warren, pastor, author, admits that he often skipped healthy eating. That was before he became committed to "The Daniel Plan" (focusing on eating only healthy foods...foods that you didn't just put in your mouth without thinking of what they contributed to God's plan.) Remember Daniel was described as a man in the Bible who realized that if he ate healthy foods, in his case vegetables and water, not rich royal food, he'd be in better shape physically and mentally, to do what the Babylonian king commanded (actually to do what God intends). (Rick Warren adds unprocessed foods, junk foods, sugarless, and several more to this healthy eating plan.) He feels, and it is true, if we treat our bodies the way God intended (by what we put into them), God will bless with better health, the ability to focus, more energy, etc. Hopefully, you will read the stories of people who tried this plan and be encouraged to try it yourself.

OK-now that we've talked about healthy bodies, here is another book, which contributes "Stories of Comfort for a Healthy Soul." The situations written about show how God uses different ways of bringing us comfort. From the teenager who almost "hit bottom," to the lady who found meaning in a church experience, to another who found compassion with a like-minded person who realized what she was experiencing. "Show us how to care for each other, Lord:" a good way to think. Besides when we are caring for someone else, we don't have time to think about our problems. And even if we do think about them, we know that we can "cast all our cares" upon the Lord and He will give us strength and wisdom. Then we'll have healthy souls...and can share that health. Sounds as if God would approve.

Another book, for people who have, real or imagined, worries is "The Anxious Christian." The anxious Christian does not have a Healthy mind. Often, not of his choosing. But God doesn't want that. For instance, if a relative dies, one might imagine what his/her life will be like. But, we, as Christians, know that the relative, a Christian, is going to heaven. That should suffice (however there are always the memories. and often recriminations.) The book points out the way we all know, but find so difficult. It reminds us that we must pray for strength, pray earnestly, turn over problems to God, then let Him deal with the consequences. That will allow us to listen and follow His directives. Then we must have the strength to believe whatever happens is His plan. That's such a difficult concept, since often we want to take charge. But I believe that's the way we should deal with bumps in life. With a loving God's help we must strengthen our belief. (So easy to say) -Believe! The rest of the book talks about the HOW. How we respond to that anxiety, how we listen to the Loving God Who helps us through each episode. (One reason to have a meaningful, close relationship with Him. PRAY about everything!) And LISTEN to God. Perhaps he suggests talking to someone-a friend, therapist: someone (A Christian) who can empathize.

The last book is for the younger set. It is a reminder that February is Black History month. And tells of one of the heroines of Black history: Harriet Tubman. Harriet, with a strong dependence on God, led slaves to a place of freedom: "The Promised land." (Of course, what is the Promised land to some is not always the Promised Land to others.) But, I believe, to slaves the Promised Land was a place where they didn't have to labor in vain...for someone else. These slaves were beholden to mostly white owners who treated them in terrible ways because the slave owners were of the opinion that their land could not subsist without these slaves who they considered less than humans doing inhuman work. The book is full of colorful illustration, simple text and can be read or listened to.
