Dear Members of Lemont UMC,

Recently, I've been working with the families who lost their loved ones by comforting and assuring them that death is not the end of life, but the beginning of eternity and that they will see their loved ones again. We are in the midst of death. Death is inevitable to all of us. Yet, it is a hard subject to talk about. Death is never comfortable to us, so when death comes to us, we tend to be afraid to die or so anxious to leave our loved ones behind though we believe in God. After officiating over 70 funerals and ministering to the people on their death beds, I've felt that we need to prepare to die well or die unafraid as those who have faith and hope for the eternity.

After an urgent call from Linda Lubben regarding George's declining health condition, I visited him. It was such a shock to see him too weak to move since I saw him a few weeks ago at church. George seemed so troubled sensing that he was going down the valley of death. Then, I read a gospel reading and said, George, don't be troubled. Jesus said, "In my Father's house there are many dwelling places. If it were not so, would I have told you that I go to prepare a place for you?" A place prepared for you is the new home, the eternal home. Do not worry about Linda, your children, and grandchildren. When the Lord comes to you to take you home, let the things go. Fear no evil. The Lord is with you and will take you home and you will dwell in the house of the Lord forever."

After the last service with George and his family at his death bed, he said, "I see the river." The idea of the river in scripture is "traces the landscape" of redemptive history. Think about it- in the Garden of Eden, three rivers ran through the middle to irrigate the produce of the land. When God brought His people of Israel out of Egypt, He led them across the Red Sea and Jordan River and into the Promised Land. Jesus was baptized by John in the same Jordan River. Gospel writers described Jesus like a river of life, which river will never run dry. The Psalmist said that there was a "river whose streams make glad the city of God" (Psalm 46). Christ Jesus leads the people of God into the ultimate and the eternal land of rest where there is "a river of the water of life, as bright as crystal, flowing from the throne of God and of the Lamb through the middle of the street of the city."

As soon as I heard from George saying, "I see the river," I assured him by saying, "Do not be afraid. The Lord will cross the river with you and you will not be overwhelmed. Jesus will bring you to the other side of the shore and will take you to your heavenly home, eternity." That day, Jesus crossed the river with George, landing on the other side and brought him into the ultimate and the eternal land of rest where the river of life runs through, a place that is safe and secure, a place that is his very own, home, forever!

Jesus made promises to us all and said, "I am the resurrection and the life. Those who believe in me, even though they die, will live (John 11:25)." And said, "Do not let your hearts be troubled, trust in God; trust also in me. In my father's house, there are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you; and if I go and prepare a place for you, I will come back and take you to be with me, that you also may be where I am." God fulfilled every promise God ever made to George and God will fulfill God's promises to us too !!!

This is our hope, comfort, and reason not to be afraid of our death. We will all die, but that is not the end of the story. We will all be changed and transformed just as Jesus was resurrected to begin eternity resting in God's arms after our labors and be united with our loved ones. I hope and pray that you have this hope, live today with gratitude, and prepare for the day we enter into our eternal home sooner or later with joy, not fear. May God give this hope and the courage to face today and even death unafraid.

Peace of our Lord Jesus Christ be with you,
Pastor Hijo Sun Oh

I hope that you have been enjoying your summer and that you've spent some time singing. I think God must feel happy when He hears you sing. We will begin Jr. Choir in September so watch for information in the late August announcements on the sanctuary screen or in your mailbox for the date. Please remember Jr. Choir is for grades K-7. If you have a friend or relative who enjoys singing, ask her/him to join us.

GEORGE LUBBEN

June 11, 1929 — July 10, 2019

George Lubben, age 90, from Lemont, IL passed away from renal disease on July 10, 2019, at home under the care of his family and Loyola Hospice. He was born June 11, 1929, to Cornelius and Alida (Kramer) Lubben in Cicero, IL. He attended Timothy Christian School and Chicago Christian High School graduating in 1947. He was educated at Calvin College in Grand Rapids, MI and then received his Juris Doctorate from Loyola University Chicago in 1954.

He was drafted into the Army in 1954 during the Korean War and served at Fort Lee, Virginia assisting with government contracts until 1956. In 1957 he was hired by Argonne National Laboratory to review and draft contracts. His specialty became labor relations. He felt that a union should not be regarded as the enemy but rather as a collaborator in resolving differences and that it was important to treat people with respect. Even though he represented management, he was well known for his fairness in the negotiation of union contracts and was most proud of those accomplishments. He received many awards for his outstanding performance during his 39 years at Argonne.

In 1961 the family made their home in the Roseland neighborhood of Chicago. He was very active in the Second Christian Reformed Church of Roseland where he was a deacon and an elder. In 1971 the family moved to Palos Heights where he was also involved in the Palos Heights Christian Reformed Church. In 1989 after moving to Lemont he became a member of the Lemont United Methodist Church.

He was preceded in death by his beloved wife, Dorothy Vree, his parents Cornelius and Alida Lubben, his brother, Henry, and several aunts and uncles. He will be remembered forever by his dearest wife, Linda, his devoted children, Dr. Georgia Lubben (Dr. Lou Sytsma), Craig (Lois), Tom (Sue), and Gina (Dave) Wielgus, his adored grandchildren Christina (Dan) Katt, Brian Lubben, Eric Lubben, Kaitlin (Justin) Kamp, India Daniels, Emma Lubben, great grandchildren Caroline, Elizabeth, Henry Katt, his cherished sister, Barbara (Don) Brown, loving sister-in-law Donna (Chuck) Anderson, and several nieces and nephews. George was a very compassionate man as many would attest.

He was a devout Christian and morally grounded man proven by the way he lived his life. He played golf up to last month, loved music, even played the piano and organ, relished a good book, and was a political junkie. He enjoyed many vacations to Tahiti, Europe, Caribbean, and most of the U.S., but especially trips to New Orleans and the annual family vacation in South Haven MI. Family and friends were received at Lemont United Methodist Church, 25 W. Custer Street, Lemont, IL on July 27th. Pastor Oh officiated. Burial was private. Memorials in his name may be given to Calvin University, 3201 Burton SE, Grand Rapids, MI 49546-4388 or Lemont United Methodist Church.

He lives on in our hearts forever.

Loose Change Sunday & Rainbow Covenant

August 2019 Rainbow Covenant

In addition to our annual apportionment, LUMC makes monetary donations through the Rainbow Covenant in order to support specific causes. All loose change collected on the fourth Sunday of each month goes to support the Rainbow Covenant. Each month we highlight a charity from one of the bands of the Rainbow Covenant. For August, we are highlighting the **blue band charity, Morning Star Mission**. Morning Star offers the hungry, needy, and homeless of Joliet and Will county safe indoor accommodations and meals. They provide recovery and transition programs to those experiencing addictions or life hardships and struggles; they aim to introduce the gospel to all program participants. It costs approximately \$76 per person, per day, to participate in these recovery programs. Please bring in plenty of change on **August 25th** (Loose Change Sunday) to contribute to the Rainbow Covenant. If you would like to make a larger offering to this specific charity, write **“Morning Star”** on a pew envelope.

Thank you for your support of the special ministries in the Rainbow Covenant.

Thank-You

As part of this summer's remodeling project, we had to remove the old toilets, sinks, vanities, privacy partitions, and floor tiles from both restrooms. On Saturday, June 29, 15 volunteers made quick work of that task. We finished in about 3 1/2 hours. Without enough help, it could have taken days or we would have had to pay contractors to do the work. Thank-you to the following hard workers: Erik Anderson, Craig Baxter, Charles Englund, Mary Englund, Tony Ferrazzi, Marge Fox, Tom Gebel, Dale Janssen, Don Mueggenborg, Karin Peraino, Tim Peraino, Bill Shelby, Carolyn Stelter, Ron Walter, and Steve Walter. Also, a big thank-you to Mark Huegelmann and the Boy Scouts who are painting all the classrooms. We will keep you informed on the progress of our project and many more opportunities to volunteer.

Books Available in the Library By Kay Norfleet

August 2019 Book Reviews

The first book I offer is a fiction recount (based on fact) of what happened in 1890-1930 to the thousands of British orphans who were placed in Canada by the British Home children's office. These unfortunates who were orphaned or sent to children's homes (hopefully temporarily) by parents who could no longer care for them, were sold as "home" children to perhaps farmers or families in need of a servant. Some were treated well, some not. In "No Ocean Too Wide" the author, Carrie Turansky tells of a family whose children were taken into the children's home because the mother became too ill and the father died. These children were then sent to Canada without the mother's knowledge. And thus begins the tale. I couldn't help but compare their circumstances with the ones we have been hearing about in which DCFS plays a starring role. You certainly will be able to see. Yet the book's characters often who are experiencing dire circumstances, call on the Lord. And, of course, He answers. Sometimes not right away, but as in real life, He answers and the dire situations (or the people involved) improve. Just a reminder that He's always there, call on Him.

"What's the difference-manhood and womanhood defined according to the Bible " by John Piper We know that God made man and female: Man, then woman who was made from man's rib. They are different biologically. I think we can all agree on that. Then sometimes, men and women marry. A blessing from God. As Jesus said in Matthew 19:6, "Haven't you read that at the beginning the Creator made them male and female and said 'For this reason a man will leave his father and mother and be united to his wife and the two will become one flesh. So they are no longer two, but one. Therefore what God has joined together, let no man separate.'" Certain characteristics belong to a man, and certain belong to a woman. They are God -given. How they are used is up to man (and woman), if he (she) checks in with God, that would be good. Also, certain characteristics belong to a married man and woman: "in the home when a husband leads like Christ and a wife responds like the bride of Christ, there is harmony and mutuality that is more beautiful and more satisfying than any pattern of marriage created by man. Maybe a reading of the Bible texts such as Genesis 2:18-24, Proverbs 5:15-19, Mark 10: 2-12 etc will make everything clearer. Also reading this book will clarify and, sometimes edify.

And, "A Basket Bed for Baby Moses" for two years and up, a surprise flap book. The story of Moses and (God directed) wisdom of his mother. The wisdom had to be God directed, his mother must have been praying and listening to God really hard for her to have the faith that God would protect Moses, after all there are dangerous animals in the Nile, plus what if the basket became waterlogged and sank, and This is an incredible account. And the little one will enjoy looking at the colorful pictures, raising the flaps, listening to you and being with you as you share the story.

The Secret of Aging Well

Richard H. Lee LUMC historian

I discovered a couple years ago that as we get older we lose muscle mass and strength. I met a young woman this morning I have not seen for about 3 years at the Tuesday morning "Farmers Market" and she said to me, "you are ageless!" I then explained how a couple years ago I heard about how important it is to eat (or drink) good quality protein and keep exercising every day if possible. Our natural loss of muscle mass, sarcopenia, can be delayed by good protein starting with breakfast and daily exercise to maintain it.

I have lost much of my buttocks, which is o.k. but what I am concerned about is my most important muscle, my heart. Muscle atrophy is another term that is used to describe the consequences of disability or being confined to be as muscles waste away. That's why they get you up as soon as possible in a hospital. The main cause of muscle wasting or loss is lack of physical activity. Along with strength loss is loss of endurance or ability to work or exercise for hours. Studies tell us adults can lose up to 8 percent of muscle mass each decade after age 40 and it speeds up at about age 65.

Reduced physical activity shrinks muscles faster and is a factor of falls and frailty in older adults, also affecting balance. Other factors that cause muscle loss are disability to turn protein into energy and not getting enough calories or protein each day to sustain muscle mass. B vitamins are needed to turn our food into energy and exercise will cause food to be burned rather than storing it as fat. The Mayo Clinic website says, "Without question, exercise is the most powerful intervention to prevent muscle loss from aging or debilitating chronic or acute diseases." Of course we should expect some loss of strength and endurance with age. There is also spiritual power to consider, such as "I pray that Christ Jesus and the church will forever bring praise to God. His power at work in us can do far more than we dare ask or imagine. Amen." Ephesians 3:20-21(CEV)

****Scrip Cards****

I encourage you to look at the 2 folders I recently placed in the back of the church marked: **SCRIP by Category** and **SCRIP Alphabetical**. Feel free to take the list and browse through the many many retailers that participate in this program.

Fundraising WHILE YOU Shop

Scrip fundraising is a no-selling program that enables families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

Customize this field with coordinator contact info, enrollment code, and/or sign-up information.

shopwithscrip.com
© 2013 Great Lakes Scrip Center LLC

Also please know that **VISA** cards are available in increments of \$50, \$100, and \$250.

There are many retailers that offer "**Visa five back**" which means if you go to a participating retailer, they will put 5% of your purchase back on your card.

Red Lobster, Outback, Panera, Sephora, Red Robin, Old Navy and Bakers Square are just a few. For many more please visit www.fivebackgift.com for a complete list.

Again, I Thank You for your participation in this program!

OPEN PANTRY NEWS

Volunteers are needed to stock shelves for the Open Pantry. Hours are on Monday mornings from 9:30-11:00, this is light work and helpful to families that work during the day. **The Open Pantry is in need of peanut butter, chicken noodle soup, peanut butter, tomato soup, chunky soups, pasta sauce, salty snacks, cream soup, shaped pasta, and canned pasta.**

Sanctuary Volunteers Are Needed!

As you have seen, the video and audio are up and running. What we need now are volunteers! We do not want to have one person stuck in the booth every Sunday. Plus we need to spread the knowledge around so when someone goes on vacation, there will be someone to fill in. Our goal is to have 4-6 people who are comfortable flipping through the computer presentation slides and 4-6 people who are comfortable raising and lower the sound on a mic so we do not have feedback. You do not have to worry. We will walk you through the programs and train you so you feel comfortable with the devices! We just need volunteers!

There is a sign-up sheet in the back of the sanctuary for both sound volunteers. We need people for both the 8:30 and 10:45 services. The more we have the better. That means that everyone will be able to sit with their family most Sundays. So, please put your name on the sign up sheet or stop by the booth and let Jana Stelter or someone on the Worship committee know. We will get you familiar with the program so you can get in the rotation to volunteer for a service.

DAYBREAK SHELTER NEEDS YOU!

Our church has had very consistent, dedicated cooks for the last 10 plus years, lets give them a well deserved reprieve. There are so many able bodied cooks in or congregation....how bout sharing your talents and a little of your time? Remember it's only once a month, and if you double it, you have your personal dinner as well :) Marge

DISCIPLESHIP SYSTEMS TRAINING

Frequently Asked Questions About Apportionments:

Q: Why does my apportionment bill look different?

A: In response to questions from churches after the Special Session of General Conference regarding designation of apportionment funds, the Conference Council on Finance and Administration (CCFA) has changed the NIC apportionment statement. The new statement provides more information about the ministries supported by your local church, designating contributions to **three** NIC funds and **six** general church apportioned funds (a seventh fund, the General Administration Fund is not listed after the 2019 Northern Illinois Annual Conference voted to withhold payments to this fund). Apportionment contributions to the first three funds will exclusively support the mission and ministry of the NIC. [General Church Apportioned funds](#) are listed independently, with a recommended amount for each. All the funds are described on this [downloadable flyer](#).

Q: How will my church receive Rainbow Covenant credit?

A: Full payment of the apportionment on the three NIC funds plus contributions on each [Rainbow Covenant](#) band are necessary to get Rainbow Covenant credit. We encourage all NIC churches to go the second mile and become a Rainbow Covenant congregation through the support of designated mission giving to make disciples and transform communities across the connection.

Q: If there are 10 funds, why do I only see 9 on my statements?

A: At the June 2019 Annual Conference session, the NIC approved legislation to withhold payments towards the [General Administration Fund](#), which supports administrative and collaborative processes throughout the denomination including General Conference and the Judicial Council. This is the only fund currently not being supported by the NIC and should not be confused with the remaining funds sent to the General Church. This legislative action will be up for review at the November 16 Special Budget Session.

Q: What happens to the funds I send in for General Church Apportionments?

A: All monies received for General Church Apportionment Funds are mailed in their entirety to the General Church at the end of every month. The Conference does not take any money out of funds allocated to the General Church.

Q: How are the amounts to the General Church apportionment funds allocated?

A: In March 2019, CCFA divided the apportionment amount calculated for the local church among the three conference lines and the seven general church lines. The total of all should equal the original apportionment amount communicated in 2018. Payment of all the conference and

recommended amounts for the General Church funds equals the total apportionment calculated for the year. The local church gives 'a portion meant for others' in support of ministries around the conference and around the world. We encourage you to use the links and website resources on the [flyer](#) to learn more about these funds and the ministries of the UMC around the world. This may be a good opportunity to review the funds and decide as a church which areas/missions you support.

Q: Is my church supposed to pay both conference and general church apportionments?

A: Yes, the number of fund lines has changed from three to nine (originally ten) in order to allow churches to see how their funds are managed. Churches are still expected to pay the amount on each line. Churches that pay the conference funds and the general church funds listed on their bills at 100% will get an additional certificate from the General Council on Finance and Administration (GCFA) as a 100% contributing church.

For more information or additional questions, please contact David W. Quinn, NIC Apportionments Administrator, 312.346.9766, ext. 741, or dquinn@umcnic.org.

Thank you so much for your generous gifts and faithful commitment!!!!

Can you Use Cardboard Boxes?

For the last few years I have been doing Dialysis at home because it is easy to do and less straining for me. One of the disadvantages is that I receive many boxes of supplies and generate 14 empty boxes each week. These boxes are 13 inches wide by 15 inches long and are 7 inches high. I recently gave some boxes to a church member and it came to mind that other church members may be able to use them as well.

I will place one such box behind the glass cabinet near the choir room in the sanctuary for you to see. If you would like to receive some of these boxes, please contact me by email or telephone and I will bring them to church for you.

Back-to-School Prayer

Dear Lord,

Please guard our children's hearts and minds in Christ Jesus. Help them focus and learn this year. Give them favor with their teachers and peers. And help them make godly friends and be a godly friend.

In Jesus' Name. Amen.
