Dear Members of Lemont UMC,

I hope you are doing well in this time of transition from winter to spring. As we enter in to the season of Lent, forty days of journey with prayer, fasting, alms giving, and repentance as ways of examining and of preparing ourselves for Easter, I would like to introduce you a prayer, called the Breath of God. Anthony de Mello teaches us how to focus on the breath of God in his book, *A Way to God*.

1. Go to your sacred place.
2. Find a position on your chair or cushion in which you feel comfortable, relaxed, and alert. Close your eyes.
3. Take some time to ground yourself in your physical sensations. Let your awareness move slowly through your body. Be aware of the sensations in your head... your face... your neck and shoulders... your arms and elbows... your wrists and the palms of your hands... your back... your chest and belly... your buttocks, your thighs and knees... your ankles and the soles of your feet. There is no rush. Take your time.
4. Bring your attention to your breathing. Become aware of the air as it enters and leaves your nostrils. Let each breath come and go as it pleases, without trying to control it... Feel the touch of the air as it passes through your nostrils. Is it warm or cool? ... In what part of the nostrils do you feel the touch of air as you exhale? ... Let your awareness rest in each breath... Every breath is different... When your mind wanders, gently return to the breath... Let the breath become the anchor of your awareness...
5. Reflect on the fact that the air you are breathing is charged with the power and the presence of God... Imagine the air as a vast ocean that surrounds you... an ocean filled with God's presence... As you draw air into your lungs, you are drawing God in... Be aware that every time you breathe in, you are drawing in the power and presence of God... God is breathing God's breath – God's spirit – into you... As you breathe out, you are releasing the breath back to God...
6. As you breathe in, be aware of God's Spirit coming into you... Fill your lungs with the divine energy and compassion of God...
7. As you breathe out, imagine that you are breathing out all your fears... your negative feelings...
8. You may wish to imagine your whole body slowly filling with a warm, golden light...
9. Conclude the time of prayer by slowly praying a verbal prayer from your tradition, or a spontaneous prayer of your own or the Lord's Prayer.

I hope this prayer, the Breath of God, helps you return to God during Lent.

Peace and grace,  
Pastor Hyo Sun Oh

## The Walk:

Five Essential Practices of the Christian Life

By: Adam Hamilton

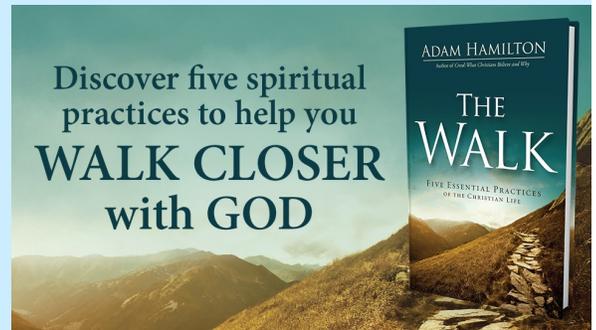

How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? In the Gospels, Jesus modeled for us the Christian spiritual life. The apostles taught it in their writings. And the Church has, through the last 2,000 years, sought to pursue this Christian spiritual life.

*In **The Walk**, Adam Hamilton focuses on five essential spiritual practices that are rooted in Jesus' own walk with God and taught throughout the New Testament. Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together in the church.*

In each chapter, Hamilton explores one of these practices, its New Testament foundation, and what it looks like to pursue this practice daily in our personal life and together in the life of the church. Deepen your walk with Christ as we explore the five essential practices of worship, study, serving, giving, and bearing witness to our faith.

The Book is available at \$15.00.

Please sign up for the small group Lenten Bible Study. Dale Janssen may lead one and as well as Pastor Oh. Please contact the office if you are interested in joining the study.

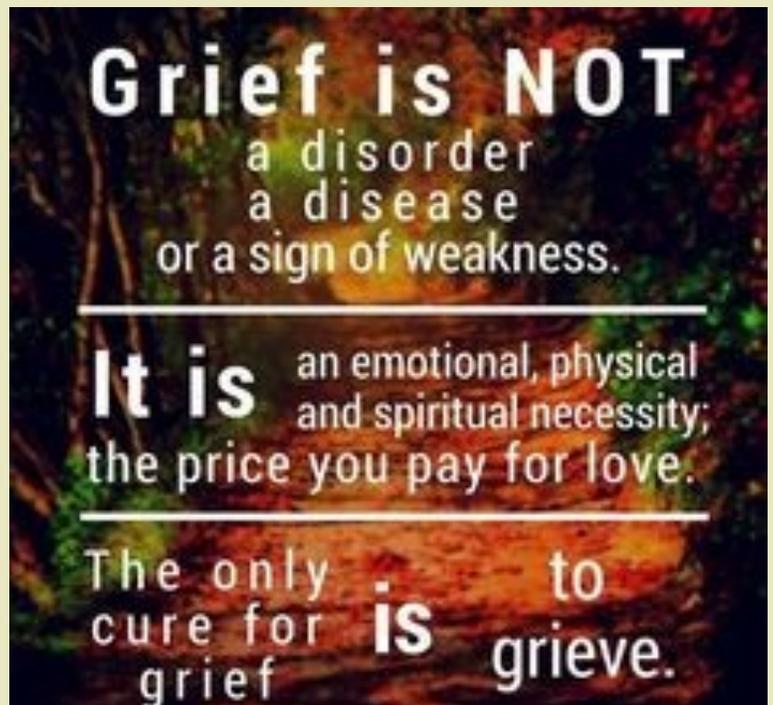

## Grieving Support Group

Pastor will be hosting a Grieving Support Group at the parsonage starting March 18th at 2:00 p.m.

Those who are suffering and seeking support are invited.

Please RSVP to the church office.

### LEMONT UNITED METHODIST CHURCH INVITES CHILDREN TO ROCKY RAILWAY! CLIMB ABOARD FOR MOUNTAINS OF FUN!

On this faith-filled adventure, kids discover that trusting Jesus pulls them through life's ups and downs. Each day at Rocky Railway VBS, kids track through field-tested rotations that reinforce relevant Bible Points and immerse kids in new adventures. One memorable Bible Point is reinforced throughout each station, each day — making it easy to apply long after VBS is over.

Plus, we'll help kids discover how to see evidence of God in everyday life—something we call God Sightings. Get ready to hear *that* phrase a lot! Closing is a celebration that gets everyone involved in living what they've learned. Family members and friends are encouraged to join us daily for this special time at 11:20 A.M.

We will also continue our mission project for Lemont Food Pantry. Please donate personal care items (such as body wash, shampoo, toothpaste for adults and children), cleaning supplies, and paper products. They will be accepted every day. Please be generous to others.

Rocky Railway begins Monday, June 8th and continues through June 12, 2020. The starting time every day is 8:30 A.M. We will end at 11:30 A.M.

The cost is \$30.00 per child. Cash or check payable to LUMC is accepted. Children must be at least 3 years old and potty-trained. Children through 5<sup>th</sup> grade are invited to attend. Registration for church members is Sunday, April 5 & 12, 2020.

Happy Hands registration is April 21st & 22nd. Open registration is April 23rd. Youth (6<sup>th</sup> grade and older) and adults are invited to volunteer. Adults or high school students are needed to lead sessions. Whether you are able to help one day or five, your help will be greatly appreciated.

If you have any questions, please call:

Amy Cheehy (630) 257-5210.

# SENIOR HIGH YOUTH GROUP

"Warm a Heart, Lift a Spirit Lunch Making Event"

For our 12th year we were so very blessed to be graced the opportunity to School District 113A for allowing us to have Old Quarry Middle School as our space to make magic happen.

We created 515 sack lunches and 22 care boxes to send to young friends from our community, serving in our armed forces.

More than 300 arrived to offer hands, feet and hearts to patiently make this outreach possible.

As I said on this day, the fact of offering a sack lunch is easy, the impact of putting love in that sack lunch takes a very special group of people.

You did that and today hundreds of people are feeling your love. Thank you for donating, for caring to show up and for delivering the gifts to those who need to feel our love.

I am humbled to walk in this corner of the world with such amazingly caring and loving walking angels.

Terri O'Neill

**\*A Special thanks to Terri for organizing such a wonderful event!**

## New Carillon Installation

Last year we were struck by lightning and we lost the beautiful sound of our carillon. A new carillon was delivered and installed last week. Praise God! A big thanks to everyone involved especially Bill and Jana Stelter.

We are blessed as these bells lift our spirits as we enter church to worship.

Thank you so much for your generous donation for the global mission!  
You have made a difference in their lives.

# Notes From The Angel Fish

by Leslie Baker-Ramos

As February winds down I have begun to notice those familiar signs that Spring is not too far off. I no longer drive home in the dark after work at 4:30, there is a constant pas de deux at my bird feeder, and the bunny tracks in the remaining patches of snow seem to have multiplied.

Although the seasons around me are constantly changing, I realize that much of the world around me is changing as well; relationships, opinions, expectations, and beliefs. Sometimes I feel out of synch with those changes and can't always find my footing. My relationship with God is perhaps the one element in my life that I always turn to when I am in need-in need of strength, balance, grace, comfort, or mercy.

In selecting music for the praise band this month, I felt drawn to one particular song called, "Lord I need You" by Matt Maher that I felt exemplified our need of and love for our God-when we are in need of rest, when sin permeates our lives, when we feel weak and alone. I have included the lyrics below and hope you will sing with us in praise.

"Lord, I Need You"

Matt Maher

*Lord, I come, I confess  
Bowling here I find my rest  
Without You I fall apart  
You're the One that guides my heart  
Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You  
Where sin runs deep Your grace is more  
Where grace is found is where You are  
Where You are, Lord, I am free  
Holiness is Christ in me  
Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You  
So teach my song to rise to You  
When temptation comes my way  
When I cannot stand I'll fall on You  
Jesus,...*

# WE ARE THE CHURCH

## SUE HINKS

Membership Committee

Jan 4, 2020

### ***How long have you headed up this ministry and when and how did you first get involved?***

I have been heading the membership committee for about 5 years and how I got started was Amy needed to look up about a baptism and I helped her find what she wanted.

### ***Tell a little about the ministry***

We keep track of the people of the church New, Old, Passed, Marriage, keeping their membership or moving away. Also keeping track of confirmations and baptisms

### ***What are some highlights or accomplishments?***

One highlight is when we call or send letters out and we get almost all saying they want to keep their membership!

### ***What were the greatest challenges?***

The biggest challenge is trying to find out about members that I have never seen or know of.

### ***What keeps you going in this ministry?***

I keep doing this for my church and it's members.

### ***What can people learn working with you in this ministry?***

What can people learn from working with me is they might find out things about someone in their family our friends and they can be helpful providing information on members, no matter their age.

### ***Closing thoughts***

In closing, I could use a little help with the people I don't know from 1974 till today it would be a great help.

## CRAIG BAXTER

Alpha Class Coordinator

Jan 16, 2020

### ***How long have you headed up this ministry and when and how did you first get involved?***

John Nelson groomed me and assisted me in the last Alpha class which was in 2017. I plan to head one as soon as I'm ready to devote quality time to it.

### ***Tell me a little bit about the ministry.***

The Alpha Class ministry focuses on Jesus and how He applies to our everyday lives.

### ***What are some of the highlights or accomplishments?***

Highlights of this class are getting people to open up through discussion and a series of Questions & Answers. Accomplishments are getting people to realize the true meaning in their lives through the Holy Spirit and Forgiveness.

### ***What were the greatest challenges?***

The greatest challenges are getting people to open up.

### ***What keeps you going in this ministry?***

What keeps me going in this is the desire to help others in this walk. People can learn to open their hearts and minds to the Lord and how they can let Jesus into their lives.

### ***Closing remarks.***

I'm hoping to explore this ministry in the future, I haven't had the time recently, to devote the time, that I would like to do this thoroughly.

**AMY CHEEHY**  
Hospitality Team  
January 8

***How long have you headed up this ministry and when and how did you first get involved?***

I've been in charge of this ministry since I became secretary in February 2015. I first got involved many years ago when Sandy Arcus asked to put me on a Hospitality Team.

***Tell me a little bit about the ministry.***

Our Hospitality Teams serve Coffee Fellowship on the third Sunday of the month. We have six teams of six or seven ladies who make or buy food to share and serve after the 10:45 a.m. service.

***What are some of the highlights or accomplishments?***

The highlight would be enjoying each other's company after the 10:45 a.m. worship service while having a snack.

***What were the greatest challenges?***

The only challenge has been with losing membership, keeping the teams filled.

***What keeps you going in this ministry?***

Our church members enjoy the fellowship time.

***What can people learn working with you in this ministry?***

Hopefully, they learn how much we truly enjoy each other's company.

***Closing remarks.***

Thank you to all of our Hospitality Teams. I appreciate everyone who contributes to this ministry.

**BILL STELTER**  
Board Of Trustees  
January 4, 2020

***How long have you headed up this ministry and when and how did you first get involved?***

I was a Trustee member for approximately 7 or 8 years under the leadership of Tony Ferrazzi, Mary Jane Nelson, and Rich Simpkins. I was elected Chair in 2006 and have held the position since then.

***Tell me a little bit about the ministry.***

It involves keeping track of all the repair projects, getting estimates, and monitoring the completion of the projects. It also involves attending Ad. Council and other church meetings as necessary. There are multiple reports to Methodist Church organizational bodies on a regular basis. The Trustee Chair also is the legal representative of the church for all contracts and communication with insurance companies.

***What are some of the highlights or accomplishments?***

The Trustees over the past decades have completed numerous projects maintaining and improving LUMC. They include replacing furnaces and A/C systems, creating a new office space and food pantry, resealing the roof, repairing and sealing the parking lots every few years, directing construction projects to create the kitchen, meeting room, and computer lab. We have also replaced the organ, installed a rain garden, replaced the lighting fixtures in the upper and lower levels. We have also upgraded the lower level washrooms, installed new sidewalks, and supervised multiple Scout Projects including installing a new brick wall. We have replaced the old choir loft and completely repaired the foundation of the parsonage when it sunk.

### **What were the greatest challenges?**

Keeping track of the progress on all of the projects. Subcontractors and inspectors are often not available during business hours. We had inspectors who chose to come at 10:00 pm on a Friday night unannounced...when no one answered their knock on the door they placed a red FAILED INSPECTION notice and collected the inspection fee on multiple dates. We have also had multiple requests for inspections or material delivery at odd hours with no notice. That was the most frustrating experience that I have had.

### **What keeps you going in this ministry?**

The Trustee members have been superb in helping out and directing projects. They have stayed doing thankless jobs late into the evening and arriving early in the AM. Every one of the Trustees has at some time spent a cold, lonely, night working on some difficult, dirty, project. I have seen them ruin their own personal equipment or bring family members to help out on projects. I have been blessed with members who care about LUMC and have the personal integrity to "go the extra mile" when working on a project.

### **What can people learn working with you in this ministry?**

That there are many Trustee members who quietly and regularly work at hard labor in the shadows. They do it without anyone ever knowing about their efforts. They are the "church mice" who clean, fix, paint, repair, and replace without any need for public rewards or honors.

### **Closing remarks.**

The future of our church remains uncertain; but I know the past was filled with the quiet, competent efforts of so many "church mice" who never got the recognition they deserved. I was blessed to witness their sacrifice.

## Happy Hands Preschool

The February highlight for Happy Hands was our annual Fashion Show. This year's theme was "It's a Small World," which provided an opportunity to peek into different cultures. Dressed in outfits from countries around the world, the children walked the runway with confidence. It was a fascinating tour for the audience and a fun step into make believe for the students. Songs scattered throughout the show reinforced the message that God's love is what makes it a small world after all: "It's a Small World," "It's Love that Makes the World Go 'Round," "Jesus Loves the Little Children," and "He's Got the Whole World in His Hands."

The children sang loud and proud; what a wonderful way to celebrate our similarities and to embrace our differences! The event was a huge success and a great fundraiser.

Over 100 businesses and individuals made donations.

A huge THANK YOU to the LUMC members who solicited or made donations and who lent a hand to help the day run smoothly.

Consider this book: "Creed-What Christians Believe." Belief is a choice God gave us. He hopes we will believe in Him, in His book. But that's unfortunately not always true. The book discusses the Apostle's Creed and is written by Adam Hamilton, the current Methodist pick for author of the year. The Apostles' Creed is what we recite in church, again many by rote, and as with the Jesus recommended prayer to our great God Almighty: The Lord's Prayer. But what does The Creed mean-think! Do we really believe all the words. Do we really believe everything written in the Apostle's Creed. Hamilton says a lot about sin and belief. He says they need to be controlled by us sinners. God created our world, us, and has control all he created: God has a hand in EVERYTHING AND EVERYONE. HE gave us a guide book on how we should live. Please read and think about what is written. Does Mr. Hamilton put forth somethings for further thought by you? Do you agree or disagree on what Mr. Hamilton proposes? How are you affected by the Creed? The apostles' thought enough of future generations to relay their ideas. They were with Jesus-they knew his thoughts. The standard sin list, besides the ten commandments, contains the general terms lust, gluttony, greed, sloth, anger, envy, pride. I would add- not following the Bible which not only talks about these sins, but strongly suggests how to deal with them. And since sin applies to all of us, I believe we need to know and believe the Bible, beginning with the Creed-how can we Not.? Not doing so and Not acknowledging what God says is, I believe, straying too far from Our Creator, saying to Him that we know better. This is a book that I hope adults will ponder.

For the children-younger and maybe not so young. "If Jesus lived Inside My Heart." The ideas give the children, and I think many adults will need to read the book to them, what to focus on when they are faced with life situations. It's a simple, but profound and thoughtful,-adults if you are reading, I hope you will pause by each question. For instance, whenever a child is met with another that disagrees, he/she MUST think before he/she acts. What would Jesus do? That is the question. And the child should be given the opportunity to answer from what he/she knows of Jesus teachings. (Adults, you can help there.) Jesus is love. We must pray for those that present us with problems that don't fit into Jesus options. But we MUST always stand our ground-no matter what : ie..a soft answer often takes away wrath.

"The War Room" is a book by Chris Fabry. It's about a marriage in trouble, but it could be about any problem. Chris Fabry is firmly stating in all his descriptive scenes, that PRAYER is the solution to life's problem. That does not mean a one-time prayer, sometimes, but not always, BUT PERSISTENT PRAYER and listening to God. And then action on your part IF God moves you: prayer and living God's way. The book presents life situations and how they are dealt with. OK, sometimes, most of the time? Most of us do not stop and think and pray the moment a problem comes up, but really the answer to any problem is prayer, then listening to God or, checking the Bible. Our God who made us, designed our lives, wants to have us ask Him for guidance.

**What is the Gospel?  
By Richard H. Lee, LAHS**

From Moody Bible teacher Michael Rydelnik, "What is the Gospel?"

The wrong things we do or say separate us from God. Jesus died for our sins and rose again, proving He's God. Trust in Him."

What would you say?

### \*\*\*\*Scrip Cards\*\*\*\*

I encourage you to look at the 2 folders I recently placed in the back of the church marked: **SCRIP by Category** and **SCRIP Alphabetical**. Feel free to take the list and browse through the many many retailers that participate in this program.

Scrip fundraising is a no-selling program that enables families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

Customize this field with coordinator contact info, enrollment code, and/or sign-up information.

© 2013 Great Lakes Scrip Center LLC

Also please know that **VISA** cards are available in increments of \$50, \$100, and \$250.

There are many retailers that offer "**Visa five back**" which means if you go to a participating retailer, they will put 5% of your purchase back on your card.

Red Lobster, Outback, Panera, Sephora, Red Robin, Old Navy and Bakers Square are just a few. For many more please visit [www.fivebackgift.com](http://www.fivebackgift.com) for a complete list.

Again, I Thank You for your participation in this program!

# HOPE AND FRIENDSHIP FOUNDATION

## March: Hope and Friendship Scholarships

High School seniors are invited to apply for a Hope and Friendship Scholarship. \$1,000 and \$500 scholarships are awarded.

## April: Give the Gift of Spring Cleaning- Cleaning, Personal Care and Paper Product Drive

The items needed to keep a household functioning are often very difficult to afford. Even if a household has been gifted assistance from the State of Illinois (SNAP) and/or Lemont Food Pantries, assistance funds are not allowed to be used to purchase cleaning products, personal care items or paper products.

## April: Easter Basket Drive

For Easter it would be a wonderful gift to create a basket of food that will become a families Easter Dinner right here in our corner of the world. Great project for small groups, CCD classes, neighbors, scout troops etc.

## April - November: Mission Stay Saturdays

Many depart for mission work outside of our corner of the world during summer. Hands, feet and hearts are needed here too. Join us on Mission Stay Saturdays to commit a few hours to helping seniors, disabled, and those who have experienced hardships, with their outdoor yard work and small household repairs.

### A Prayer for Lenten Grace

Loving God,  
During the sacred season of Lent, bring me closer to you.  
Prepare a place in my home and heart for silence and solitude, so that I may re-discover the grace of a prayer-full life.  
Help me to fast from those things that threaten the well-being of body and soul and remind me of the grace of simplicity.  
Enlarge my heart so that I give to those in need and, in so doing, re-discover the grace of gratitude and generosity.  
May this season be a grace-filled time to rekindle my love for and faith in you.  
Amen.

## Citron Tea Fundraiser

Some people requested to have Citron Tea after Pastor gave one for the congregants last Christmas, we decided to sell it as a Fundraiser.

It is available at 10.00.

Any proceeds will go to Good Samaritan Fund, which is the fund for helping members of the church. Please contact Marge Fox or Pastor for purchasing it.

## OPEN PANTRY NEWS

Volunteers are needed to stock shelves for the Open Pantry. Hours are on Monday mornings from 9:30-11:00, this is light work .

**The Open Pantry is in need of baked beans, pork and beans, chili, hash, tuna, and diced tomatoes.**

## Sanctuary Volunteers Are Needed!

As you have seen, the video and audio are up and running. What we need now are volunteers! We do not want to have one person stuck in the booth every Sunday. Plus we need to spread the knowledge around so when someone goes on vacation, there will be someone to fill in. Our goal is to have 4-6 people who are comfortable flipping through the computer presentation slides and 4-6 people who are comfortable raising and lower the sound on a mic so we do not have feedback. You do not have to worry. We will walk you through the programs and train you so you feel comfortable with the devices! We just need volunteers!

There is a sign-up sheet in the back of the sanctuary for both sound volunteers. We need people for both the 8:30 and 10:45 services. The more we have the better. That means that everyone will be able to sit with their family most Sundays. So, please put your name on the sign up sheet or stop by the booth and let Jana Stelter or someone on the Worship committee know. We will get you familiar with the program so you can get in the rotation to volunteer for a service.

## DAYBREAK SHELTER NEEDS YOU!

Our church has had very consistent, dedicated cooks for the last 10 plus years, lets give them a well deserved reprieve. There are so many able bodied cooks in or congregation...how bout sharing your talents and a little of your time? Remember it's only once a month, and if you double it, you have your personal dinner as well :) Marge

## Calling All Musicians

We are encouraging all musicians and singers who are interested in joining the Praise Band to contact Leslie, Bob, or Jana.

**Come join us!**

## Expanding Care Bearers Ministry

The Care Bearers are a group of people to help provide an occasional meal (home cooked or purchased) for members of our congregation who are recovering from a serious illness, birth of a baby, or the loss of a family member. Meals are **only occasionally** needed in our church, and it is a wonderful mission!
