Dear Members of Lemont UMC,

Greetings!

As I came back to Lemont from S. Korea, I wanted to express my most profound appreciation to you for your prayers, support, sympathy cards, monetary gifts, and above and beyond upon my father-in-law's passing. Seung Woo and I have felt your love and care in our times of losing our beloved one.

Our sadness penetrated our deep hearts and souls since we could not be around him or see him passing. Though Seung Woo got to S. Korea before his father's death, he could neither see him nor attend his wake due to the COVID-19 mandatory self-quarantine. Fortunately, he participated in the cremation and funeral rituals as his COVID-19 test turned negative. I empathized and sympathized with those who lost their loved ones by the COVID-19 and could not see them passing. It stings.

I visited my father-in-law with my husband at the Goesan Korean National Cemetery after released by the Korean CDC with the negative result from the coronavirus test. Though passing through the immigration, getting out of the airport, and getting tested in the isolated hotel to get the grieving husband and the family seemed going through the war zone, I am grateful that I could go and be there for them.

After time with the in-law's family, I spent many days with my mom, brothers, and nieces and a nephew in my rural hometown, where there are only a few COVID-19 cases. I helped my mom: harvesting red chili pepper and other house choirs. I worked at my brother's farm. The weather was rainy half of my stay and hot and humid the rest; I enjoyed being surrounded by beautiful mountains, rice fields, and seashores. I loved nature itself very much. Though I could not take a nap in my stay, every second was so precious, joyful, and like daydreaming. It was a time of comfort and healing. Of course, it was hard to leave mom and the family, and I cried.

I think it was my father-in-law's gift for me to take three weeks and spend the days with both families in two years amid the COVID-19 pandemic. So, I am very grateful that he loved me, and his love and influence will live in my heart until I see him again. I am also thankful for the love, prayers, and support of the beloved members of Lemont UMC. You allowed me to be in S. Korea for the need of my family. Thank you so much, indeed! I came back comforted and healed. My husband will be back later after spending more time with the families. I will be in 14 days self-quarantine and will provide online services from the parsonage until September 5, 2020. I will work from home and meetings will be via ZOOM. You can reach me via email or phone for pastoral needs.

When I arrived at the parsonage, I found these food in the icebox, flowers, and many sympathy cards in mail. You made my days. Thank you so much for your care!!! I feel loved and cared by you.

With many thanks,  
Pastor Hyo Sun Oh

The LUMC ReTURN Team has developed procedures for in-person worship based on recommendations from the CDC, State of Illinois HHS, and the Northern Illinois Conference. While we are striving to take the utmost precautions to safely return to worship in our building, there are still no guarantees that someone will not be infected with COVID-19 or any other illness. As much as we would love for you to worship with us, if you feel you are at risk or have any concerns we won't be offended if you choose not to attend in-person worship. There will still be an online service every week and we would encourage you to worship with us in that way. Here is a link to our services <http://www.lemontumc.org/video/index.php>

## **WAIVER AND RELEASE OF LIABILITY RELATING TO CORONAVIRUS**

COVID-19 COVID -19 is contagious and is believed to spread mainly from person – to – person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, restricted the congregation of groups based upon Phase 4 guideline.

The Lemont United Methodist Church operates the church building [sanctuary, offices, class rooms, fellowship hall, parking lots, etc.] (hereinafter “THE FACILITIES”) and has put into place Policies and Procedures that reflect the State of Illinois’ Phase 4 guidelines for reopening business and returning gatherings of people SAFELY as a means to reduce the spread of COVID – 19 during the re-opening of THE FACILITIES.

I, for myself and on behalf of my child(ren) willingly agree to comply with these Policies and Procedures. However, I understand that entering and use of THE FACILITIES include possible exposure to and illness from infectious diseases, including COVID – 19, even when these Policies and Procedures are followed.

Therefore, in consideration of being permitted to enter THE FACILITIES or allowed to participate in any activity at THE FACILITIES, I acknowledge the contagious nature of COVID – 19 and the risk of injury that may result from exposure or infection to the same. I voluntarily agree to assume these risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with any attendance at THE FACILITIES or participation in any programming at THE FACILITIES (“Claims”). On behalf of my child(ren) and myself, I hereby release, covenant not to sue, discharge, and hold harmless THE FACILITIES, The Northern Illinois Conference of United Methodist Churches, The Lemont United Methodist Church, its employees, agents, and representatives, whether a COVID – 19 infection occurs before, during, or after participation in any activity within THE FACILITIES.

I further expressly agree that the foregoing assumption of risk, release and waiver of liability, and indemnity agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Illinois and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect. This is to certify that I have carefully read, fully understand, and voluntarily sign this assumption of risk, release and waiver of liability, and indemnity agreement and further agree that no oral representations, statements or inducement apart from the foregoing written agreement has been made.

## Rainbow Covenant

### September 2020 Rainbow Covenant

In addition to our annual apportionment, LUMC makes monetary donations through the Rainbow Covenant in order to provide support to specific causes. All loose change collected on the fourth Sunday of each month goes to support the Rainbow Covenant. In addition, each month we will highlight a charity from one of the bands of the Rainbow Covenant. For June, we are highlighting the **green band charity, Midwest Mission Distribution Center**. MMDC uses volunteers and church donations to provide disaster relieve items. It is a cooperating depot in the UMCOR Relief Supply Network. Please bring in plenty of change on **September 27<sup>th</sup>** (Loose Change Sunday) to contribute to the Rainbow Covenant. If you would like to make a larger offering to this specific charity, write **“Midwest Mission”** on a pew envelope.

## **\*\*\*\*Scrip Cards\*\*\*\***

I encourage you to look at the 2 folders I recently placed in the back of the church marked: **SCRIP by Category** and **SCRIP Alphabetical**. Feel free to take the list and browse through the many many retailers that participate in this program.

Scrip fundraising is a no-selling program that enables families to raise money for their non-profit organization (NPO). Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

You purchase gift cards from your organization at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple!

Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

Customize this field with coordinator contact info, enrollment code, and/or sign-up information.

Also please know that **VISA** cards are available in increments of \$50, \$100, and \$250. There are many retailers that offer "Visa five back" which means if you go to a participating retailer, they will put 5% of your purchase back on your card. Red Lobster, Outback, Panera, Sephora, Red Robin, Old Navy and Bakers Square are just a few. For many more please visit [www.fivebackgift.com](http://www.fivebackgift.com) for a complete list.

Again, I Thank You for your participation in this program!

If you are interested, you can contact her at 630-257-6699.

## Peacemakers

By Richard H. Lee, LUMC Historian

Are you a peacemaker or troublemaker? Peacemakers try to help those in trouble and have basic needs, including health and homes. They cannot tolerate those who do not provide enough basic food, Internet, or water, like Native Americans. Sometimes a peacemaker must try to protect their own people who may be in trouble in foreign lands, such as Christians in China, Egypt, or Turkey where they are being persecuted or expelled.

American citizens may be imprisoned, losing all property and rights, so that calls for being tough with such nations and governments. A draft-dodger may be more interested in doing business and making money than serving the military and protecting our assets and people. One way to make peace with people, especially neighbors, is to use an aspect of life such as exercise that can be tried in a buddy system to improve their health.

After some time you can introduce the spiritual principles that guide such improved ways of life and give us a better outlook or hope. I call that walking and talking, pointing out marvels of creation such as natural springs, ponds and lakes that are habitats for natural creatures. Even our hills around Lemont can be challenges that eventually we can master as we become stronger and with improved hearts. You could even ask, "how about your heart?" A good Scripture on peace is in Psalm 119:165 (NIV): Great peace have those who love your Law, and nothing can make them stumble."

### Still Ordering Scrip Cards

Miss you all very much. Just wanted everyone to know that I will continue to order Scrip as needed. I just placed an order to replenish our open pantry Jewel cards and didn't send out my usual blast because I did not want to bother anyone, but it has come to my attention that there is still interest even in these trying days. So I will continue with the blasts the next time we order which may be in about 5-6 wks. You can e-mail me at any time and I will hold your request till I order again.

Thank You all and Be Well!

**Grief is NOT**  
a disorder  
a disease  
or a sign of weakness.

**It is** an emotional, physical  
and spiritual necessity;  
the price you pay for love.

The only cure for grief is to grieve.
