This form is to document the LUMC attendee health screening requirement set forth in the LUMC ReTURN Guidance protocol. The LUMC ReTURN Team has developed procedures for in-person worship based on recommendations from the CDC, State of Illinois HHS, and the Northern Illinois Conference. While we are striving to take the utmost precautions to safely return to worship in our building, there are still no guarantees that someone will not be infected with COVID-19 or any other illness. As much as we would love for you to worship with us, if you feel you are at risk or have any concerns we won't be offended if you choose not to attend in-person worship. There will still be an online service every week and we would encourage you to worship with us in that way. Here is a link to our services <http://www.lemontumc.org/video/index.php>

Do you have any of the COVID-19 symptoms listed above on questionnaire?

Print your name	Signature	Worship Service Date	No	Yes

If a church attendee answers "yes" to any of the questions, they will be asked to make another reservation once they are able to answer "no" to all these questions.
